Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. J. Rogers (State whether Master, First or Second Officer.), of the S.S. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Phillips, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had 2 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S. of Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 12 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas Rogers Master, of the S.S. Ireland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1, 2, 3, 4. (Name, age, sex, married or single.) The name of each alien, and the age in years, as near as can be ascertained, of the person last birthday, should be written in column 3, and the sex in column 4. Infants should be entered in the same manner as adults. The words "male" and "female" may be abbreviated, if desired, to "m." and "f." Write "married" or "single" in column 5, as the case may be.

Column 6. (Occupation.) The entry in column 6 should show the occupation, trade, or profession of each alien, if any. Do not use such indefinite terms as "laborer," "engineer," "clerk," "mechanic," "factory hand," "servant," "driver," "student," "boy," "girl," "child," or "none." Persons who have been engaged in any occupation, trade, or profession, even for a short time, should not be returned as having no occupation. Wives and children should be returned as having occupations if they usually have occupations, but not otherwise. Persons of leisure or persons living on their income may be returned as such. Persons under 16 years of age, not at work, may be returned as "at home," "at school," or "none," as the case may be.

Columns 7, 8, 9. (Nationality, race, or people.) The nationality of each alien, whether native-born or naturalized, should be entered in column 7, the race or people in column 8, and the country of birth in column 9. Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" as appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro or other coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. All such persons of pure or mixed African blood, including the subdivisions of Negro known locally as Barbadian, Jamaican, Haytian, Portuguese, Kanaka, Sandwich Islander, Zulu, Fantee, Soudanese, Kroomen, and natives of Liberia, Timbuctoo, Madagascar, Angola, Benguela, Cape Colony, Natal, Mozambique, Zanzibar, Abyssinia, Soudan, Nubia, Kordofan, Egypt, Tripoli, Algeria, Tunis, Morocco, Senegambia, Sierra Leone, Grain, Ivory, Gold, Slave, Pepper, Bight of Benin, Bight of Biafra, Congo, Loango

Affidavit of Surgeon.

I, Phillips, Surgeon of the Cymbeland from Liverpool do solemnly, sincerely, and truly swear that I have had years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S. & L. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, two in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Charles J. Rogers Master, of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 72 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Master. Officer.

Sworn to before me this Fourth day of August, 1904.
at Philadelphia
John Foster
Deputy Collector. Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *laborer* and *farm laborer*, regardless of the kind of labor they were employed to perform.

A *farmer* is a person who operates a farm, either for himself or others.

A *farm laborer* is a person who works on a farm for the man who operates it.

Steamship companies should make clear distinction between manifests and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at wharves.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary stay in the United States, but not intending to pass through, in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 17 is excluded and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in history back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew is not taught properly to come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that section of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country* and *city* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, port, sailing, or place.

Aliens who have permanent residence in the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Final destination).—The entry in column 11 should give name and address of such relative. If no such relative, state "No relative," and destination if known.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in the United States country, if outside the United States.

Column 13 (Whether having a ticket, etc.).—The entry in column 13 should be either Yes or No (ticket).

Column 14 (By whom passage paid).—The entry in column 15 should show definitely by whom passage was paid, as "self," "father," brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case opposite head of family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in United States and if so, when and where).—The entry in column 16 should show whether or not Yes or No in the United States, and if so, the year (or period of years) and place (as, 1894-8, Philadelphia).

Column 17 (Whether going to join relative or friend, and if so what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend; and if so what relative or friend, with name and complete address.

Column 18 (Ultimate destination).—The answers to the questions are subject to revision by any inspector. (See Rule 8, Consolidation of Aliens.)

Affidavit of Surgeon.

I, D. Gillis, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had —— years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S. & P. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, two in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

D. Gillis

Sworn to before me this Fourth day of August 1907

at Philadelphia

J. Frank Hagen

Inspector.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Charles J Rogers Master, of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age.)—The return of age in column 5 should be expressed in years or months, the latter applied to infants under one year of age.

Column 6 (Sex.)—The entry in column 6 should be M for male or F for female.

Column 7 (Married or single.)—The entry in column 7 should be expressed M for married, S for single, Wd for widowed, or D for divorced.

Column 8 (Calling or occupation.)—The entry in column 8 should describe as accurately as possible the occupation (trade or profession) of each alien, as laborer, farmer, carpenter, engineer, tailor, shoemaker, servant, clerk, etc. Persons having no occupation, such as women, children, and old persons, should be returned as such, and not simply as laborers, peddlers, or servants, or other indefinite designations.

A distinction should be made between the occupation last followed and that intended to be followed in the country of future residence.

A laborer is one who performs labor of a rough character, either for himself or others.

A servant is one who renders personal service to another for hire or compensation.

Steamship companies should make distinction between cabin and steerage passengers, and manifests should be made out accordingly by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intransit through the United States should be described under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 9 (Able to read and write.)—Column 9 is self-explanatory and the entries therein should be either Yes or No. Yes—Can read and write. No—Can neither read nor write. Yes—No—Can read but not write.

Column 10 (Nationality.)—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people.)—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "Turkey" appearing on a manifest does not necessarily mean "Turkey" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negroes, whether coming from Africa or other countries. West Indian Negroes or Cuban Americo-Liberian or African Americo-Mexican or admixtures of Negro blood should be classified under this head.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the Provinces of Piedmont, Liguria, Lombardy, Venetia, Emilia, and Tuscan Provinces of Massa and Lucca). Natives of Trieste, Istria, Dalmatia, or any other countries should be classed as "Austro-Hungarian." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people native to that portion of Italy south of the basin of the River Po (i. e., the provinces W. of Ingona, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence.)—The entry in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independently of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came.)—The entry in column 13 should give name and address of such relative. It may be a father, mother, wife, child, brother, sister, uncle, aunt, cousin, friend, etc., and the address should be the complete address, including street and number, if any, of such relative or friend.

Column 14 (Final destination.)—The entry in column 14 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 15 (Whether having a ticket to such final destination.)—The entry in column 14 should be either Yes (or tickets) or No (or no tickets).

Column 16 (By whom and passage paid.)—The entry in column 15 should show definitely by whom passage was paid, as self, husband, sister, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50 and if less how much.)—The entry in column 16 should give in each case (each individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether going to join relatives and if so what relative and where.)—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the name and address of such relative, as father, mother, wife, child, brother, sister, uncle, aunt, cousin, friend, etc., and the city or town and State in the United States to which he is going, as Philadelphia, Pa.

Column 19 (Going to join relatives (name and address of relative or friend).)—The entry in column 18 should show whether going to join relative or friend, and if so, such relative or friend, with name and complete address.

Columns 20 to 29.—The answers in these columns are subject to revision by any inspector at the time of examination of aliens.

Affidavit of Surgeon.

I. O'Sullivan, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had — years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S. & P. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Charles J. Rogers, Master, of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 77 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J. Rogers
Master.

Sworn to before me this Fourth day of August, 1907.

John T. Foster
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as specifically as possible the occupation, trade, or profession of each alien, as, for example, "coal engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, metal polisher, iron molder, wood turner, cook," and not simply as "engineer, polisher, molder, turner, or other indefinite designations."

A distinction should be made between *laborers* and *farm laborers*, regardless of the statement in the last census schedule, as follows:

A *laborer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the general compensation.

Steamship companies should make this distinction between the manifest and the corrections made by them at the request of inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and not remain in the United States should be recorded under head of occupation as "in transit." Persons coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is strictly ideal and the entry therein should be either Yes or No. Yes means can read and write; No, No can neither read nor write; or Yes, No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in last column but one of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be corrected and revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance manifestly indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, and Marches, Umbria, Rome, the Abruzzi and Molise, Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country last to which an alien has belonged as a permanent resident. It is important for statistical purposes that a thorough comparison of the entries in columns 9 and 10 be made, in order that the country of last permanent residence may be correctly interpreted in connection with the nationality of race.

Aliens having permanent residence in the United States and returning from a visit abroad should be properly identified on manifests as "United States" in country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket through to such final destination).—The entry in column 13 should be either Yes (a ticket) or No (no ticket).

Column 14 (Whether any amount was paid by any person or society, and if so, by whom).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50 and if less than that amount).—The entry in column 15 should show if each and every one of family (or group) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show either or not (Yes or No) in the United States before; and if so, the year, or period of years, and place, as, 1901, Philadelphia.

Column 17 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Column 18.—The answers in these columns are subject to revision by any inspector officer in the examination of aliens.

Affidavit of Surgeon.

I, Hillis, Surgeon of the Finland, from Liverpool, do solemnly, sincerely, and truly [illegible] that I have had — years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Charles J Rogers Master, (State whether Master, First or Second Officer.) of the S S Friesland, from Antwerp, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 77 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Charles J Rogers
Master.

Sworn to before me this Fourth day of August, 1907.

at Philadelphia

John S Stanton
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien over 10, as for example: "Civil engineer, draftsman, engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *laborers, farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only for a temporary residence in the United States, but not intending to pass through in transit, should be classed as "laborers" under head of occupation.

Columns 8 and 9 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes or No. Yes if can read and write, No—No—if can neither read nor write, or Yes—No if can read but not write.)

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in list or book of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully reviewed by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might perhaps come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, or other coming from Cuba or other islands of the West Indies, Nova Scotia, South America, Europe, or Africa. Any word whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Roman language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Final destination).—The entry in column 11 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of countries of temporary residence, sometimes called "stop-over."

Aliens who are permanent residents of the United States and who, returning from a visit abroad, should be recorded as "United States" for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative, then give name and address of friend.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if in the United States country, if outside the United States.

Column 14 (Whether going to join relative or friend, and what relative or friend).—The entry in column 14 should be either Yes (or "Ticket") or No (or "Cash").

Column 15 (By whom passage paid).—The entry in column 15 should show definitely by whom passage was paid, as "self," "friend," father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50 and if less how much).—The entry in column 16 should be "yes" or "no" and additional as "Cash," the exact amount of money shown. Money brought to the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever in U. S. before and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period) of last previous visit and place, as "1903, Philadelphia."

Column 18 (Going to join relative or friend, and if so what relative or friend).—The entry in column 18 should show whether going to join a relative or friend, and if so what relative or friend, with name and complete address of same.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I H Hillers, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had [redacted] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of B.C.S.t.P. Scotland, and that I have made a personal examination of such of the aliens named herein, and that the foregoing List or Manifest Sheets, [redacted] in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, Charles J Rogers, of the S.S. Chas J Rogers

Sworn to before me this Fourth day of August, 1907

John D Trotter
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation (trade or profession) of each alien, as for example: "Farmer," "laborer," "servant girl," "engineer," "clerk," "merchant," "tailor," "shoemaker," "carpenter," "mason," "blacksmith," "miner," "weaver," "dressmaker," "milliner," "seamstress," "printer," "bookbinder," "engraver," "cabinetmaker," "upholsterer," "painter," "glazier," "plumber," "machinist," "locksmith," "gunsmith," "moldermaker," "pattern maker," "stonecutter," "bricklayer," "plasterer," "cooper," "butcher," "baker," "saddler," "harnessmaker," "barber," "clergyman," "lawyer," "physician," "trained nurse," "author," "editor," "journalist," "actor," "artist," "musician," "professor," "teacher," "servant," "housekeeper," "nurse," "midwife," "laundress," "peddler," "hostler," "porter," "janitor," or other similar descriptions.

A description should be made, if possible, of a person's real and *future* calling or occupation, if the immigrant intends to follow a calling or occupation.

"Laborer" should not be used except in connection with a term descriptive of the character of labor performed, as "farm laborer," "coal miner," "railroad laborer," etc.

"Farmer" should not be used unless the immigrant has a farm of his own, either free or encumbered, or has definitely arranged to work on a farm as a farmer, or has been employed as a farmer for a considerable period on a farm belonging to another.

"Farm laborer" should be used to designate a person who has been employed at farm labor for hire, or who has definitely arranged to work at farm labor for hire, either for himself or others.

"Laborer" should not be used unless accompanied by a term descriptive of the character of labor performed, as "farm laborer," "coal miner," "railroad laborer," etc.

"Servant" should not be used unless the immigrant has definitely arranged to enter domestic service, or has been employed as a servant for a considerable period.

"Student" should not be used unless the immigrant has been a student for a considerable period, and has the means and intention to continue as a student.

"Clerk" should not be used unless the immigrant has been employed as a clerk for a considerable period, or has definitely arranged to enter a clerical position.

"Boy" should not be used unless the immigrant is under 16 years of age.

"Girl" should not be used unless the immigrant is under 18 years of age.

"Child" should not be used unless the immigrant is under 14 years of age.

"Woman" should not be used unless the immigrant is 18 years of age or over, and is to be employed as a domestic servant.

"Man" should not be used unless the immigrant is 18 years of age or over, and is to be employed at some occupation other than that of a domestic servant.

Steamship companies should make their instructions to their agents and contractors so explicit that the inspectors and registry clerks will not be required to change the designation of aliens in any case.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through to transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Y) or No (N) to each and every question. Yes (Y) can be either Yes (Y) or No (N). No can be either Yes (Y) or No (N). Yes (Y) can read but not write. No (N) can neither read nor write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant just arriving is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list or manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising most of Piedmont, Lombardy, Venetia, and Emilia) and those descendants who, whether residing in Italy, switzerland, America, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to and reside south of Italy south of the basin of the River Po (i. e., comprising most of Liguria, Tuscany, Umbria, Marches, Umbria, Rome, the Abruzzi and Molise, Campagna, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that as much information as possible be given. Show country of last permanent residence instead of country of temporary residence, and "Turkey" or "Russia" is not sufficient.

Aliens who have permanent residence in the United States and who, returning from a visit abroad, should be recorded on manifests as to United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative or friend, write "None" or "Self" as the case may be.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country if outside the United States.

Column 13 (Whether having a ticket through to final destination).—The entry in column 13 should be either Yes (Y) or No (N).

Column 14 (If not, whether passage paid by).—The entry in column 14 should show definitely by whom passage was paid, as "self," husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case the actual amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether going to join a relative or friend, and if so, where and what relative or friend, and address).—The entries in column 16 should show whether going to join relative or friend, and if so, what relative or friend, with name and complete address.

Column 17 (Ever in prison, etc.).—The answers to the questions are subject to revision by any inspector who has reason to believe that any of them are incorrect.

Affidavit of Surgeon.

I, Phillis, Surgeon of the Friesland, for this port, do solemnly, sincerely, and truly swear that I have had — years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Master of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, Two in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Master

Sworn to before me this Fourth day of August, 1907.

John D Hatton
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens passing.

Aliens proceeding to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in last column but 5 of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed.

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative be living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether any person paying passage).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1894-97, Philadelphia).

Column 17 (Whether going to join husband or other relative or friend, and if so, what relative or friend, and name and complete address).—The entry in column 17 should show whether going to join father, mother, husband, wife, child, brother, sister, uncle, aunt, cousin, grandparent, or other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 7 to 17.—The answers to these columns are subject to revision by any inspector officer in the examination of aliens.

Affidavit of Surgeon.

I, S. Gillies, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had ——— years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Roy. Coll. Surgs. & Phys. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 22 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. J. Rogers, Master, of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas. J. Rogers
Master.

Sworn to before me this Fourth day of Aug't, 1907.

John T. Stanton
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections could be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894-97, Philadelphia.

Column 18 (Going to join relatives or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, O'Sullivan, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly (State whether "Surgeon sailing herewith" employed by owners thereof, or otherwise, as may be.) swear that I have had 7 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 12 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and a *farm laborer*, regardless of the amount of money shown (see § 16).

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States but not intending to pass through in transit should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes can read and write. No, No can neither read nor write. Or Yes, No can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island, the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country, not city or town of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. F. Rogue Master (Master, Commanding Officer, First or Second Officer) of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The number of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as nearly correctly as possible the occupation, trade, or profession of each alien, and not, as for example, "Civil engineer," stationary engineer," "locomotive engineer," "mining engineer," "brass polisher," and polisher," "iron moulder," and "laborer," and not simply as "engineer," "polisher," "moulder," "miner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who is working in a farm for a man who operates it.

Stenciled occupations should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens at arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 8 and 9 (Able to read and write).—Column 8 should be left blank and the entries in column 9 should be either Yes (Y) or No (N). Yes (Y) means can read and write, No (N) can neither read nor write, or Yes (Y) can read but not write.

Column 10 (Nationality).—Column 10 should be construed to mean the country of which the immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people as given in lines 1 and 2 of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might be partly born under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRO-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia and Emilia, and Massa, Lucca, Parma, Modena, Romagna, Marches, Umbria, Tuscany, and Rome, the Abruzzi and Molise Compartimenti, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants classed in classes as "Italian (south).

Column 12 (Last permanent residence).—The entry in column 12 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of temporary residence, sojourn, or stay.

Aliens who have permanent residence in the United States and are returning from a visit abroad should be recorded to read as the United States, or country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came.—The entry in column 13 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 15 (Whether having a ticket to said final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 16 (Whether any amount was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $, and if less than much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the city or town and year or date, as, 1894-97, Philadelphia.

Column 19 (Going to join relatives or friend, and if so, what relatives or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—The answers in these columns are subject to revision by any inspection officer in the Examination of Aliens.

Affidavit of Surgeon.

I, Phillips, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had [redacted] years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.t.P. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, one in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

I, Chas J. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years and months, the latter applying only to those under 1 year of age.

Column 7 (Sex).—The entry in column 7 should be either M (male) or F (female).

Column 8 (Married or single).—The entry in column 8 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 9 (Calling or occupation).—The entry in column 9 should describe as accurately as possible the occupation, trade, or profession of each alien, as actor, artist, author, civil engineer, clergyman, clerk, cook, dressmaker, engineer, stationary engineer, locomotive engineer, mining engineer, farmer, laborer, lawyer, merchant, musician, painter, photographer, physician, surgeon, printer, publisher, saleswoman, seamstress, servant, shoemaker, stenographer, tailor, tailoress, teacher, typewriter, or other definite designation.

A distinction should be made between *professional* and *farm laborers*. The word *laborer* alone should not be used if the alien is a skilled laborer, as bricklayer, carpenter, engineer, mason, miller, painter, shoemaker, tailor, or other skilled laborer.

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens arrived.

* Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as tourists" under head of occupation.

Column 10 (Able to read and write).—Column 10 is subdivided and the entries therein should be either Yes (Y) or No (N). Yes (Y) can read and write; Yes (Y) can read but not write; No (N) can read but not write.

Column 11 (Nationality).—Column 11 should be construed to mean the country of which immigrant is a citizen or subject.

Column 12 (Race or people).—The entry in column 12 should show the race or people as given in list on page 2 of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other island of the West Indies, South or Central America, Europe, or Africa. Any alien whose appearance indicates that he has a trace of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comparatively Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect differing from the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po and to the two provinces of Liguria (Genoa, the Maritime Alps, Nice, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 13 (Final destination).—The entry in column 13 should show the *name of city or town of last permanent residence*. It is important for statistical purposes that "country" be not given as merely show country of last permanent residence, independent of country of temporary residence, nationality, or race.

Aliens who are passing through the United States and are returning from a visit abroad, should be recorded on manifests as "United States" for country of last permanent residence.

Column 14 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 14 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 15 (Final destination).—The entry in column 15 should show definitely the place (city or town) of final destination, as well as the United States address, if outside the United States.

Column 16 (Whether having ticket to such final destination).—The entry in column 16 should be either Yes (Y) ticket) or No (no ticket).

Column 17 (By whom were passage paid).—The entry in column 17 should show definitely by whom passage was paid, as self, kindred, father, brother, or other relative, friend, steamship company, etc.

Column 18 (Whether in possession of $50, and if less, how much).—The entry in column 18 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 19 (Whether ever before in the United States, and if so, when and where).—The entries in column 19 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (as, 1894–96, Philadelphia).

Column 20 (Among the person's relatives or friends, and if so, what relative or friend).—The entry in column 20 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 15 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Master, of the S.S Finland, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Master or Officer.

Sworn to before me this Fourth day of August, 1907

John H. Lorfee
Immigration Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (No.).—The number of aliens in column 1 should be repeated in each manifest, the first one commencing with number 1 (one).

Column 2 (Full name).—The names in column 2 should be entered as follows: [illegible]

Column 3 (Names of persons).—The surname of each alien should be written first, followed by the given name or names, with sufficient clearness to prevent any mistake or confusion in the name.

Column 4 (Age).—Write the age of each alien in column 4 opposite his name. If under 1 year, state number of months.

Column 5 (Sex).—Write the word "male" or "female" in column 5 opposite the name of each alien.

Column 6 (Married or single).—Write the word "married" or "single" in column 6 opposite the name of each alien.

Column 7 (Calling or occupation).—Every person in column 7 should have some calling or occupation to be entered in this column, and wives and children should not be returned as having no occupation unless they are dependent and have no means of support other than the labor they perform in the household for others.

Strict attention is enjoined upon masters, inspectors, and readers to the importance of entering the occupation of each alien in the proper column, so that the record may show exactly the occupation with which each alien landing has identified himself.

Aliens intending to pass in transit through the United States should be so described and their destination stated. Thus, a person coming only for a temporary visit to the United States, but not belonging to the transit class, should be classed as a visitor, under heads of destination.

Column 8 (Nationality).—Nationality or citizenship is established and the country, dependency, or colony of which the alien is a native or citizen or subject must be entered in column 8. Thus, natives of Canada, Newfoundland, Mexico, and the West Indies must not be returned as natives of the United States, but as natives of the country of which they are severally natives or citizens or subjects.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs. The following are examples:

Special attention should be paid to the instruction to prevent persons, and especially inspectors and readers, from returning as natives of the United States, Germany, or other countries persons who are in fact natives of Bohemia, Hungary, Poland, or other countries. Persons of African descent should be described as Negroes, Africans, or black, as the case may be. Persons of the Hebrew race should not be returned as natives of Palestine, Asia Minor, or Arabia, but as Hebrews. Persons who might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CHINESE.

The term "Chinese" refers to the native people of Northern China.

CHINESE MIXED.

"Chinese Mixed" refers to the native people of China who have Caucasian or Negro blood.

CHINESE CANTONESE.

Cantonese refers to the native people of Southern China.

AFRICAN (BLACK).

African Black refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

NATIVE AMERICAN.

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia) and the descendants, whether residing in Italy, or in this country, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect quite different from the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Liguria, Parma, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy or in this country, should be classed as "Italian (south)."

Column 10 (Last residence or permanent residence).—The entry in column 10 should show the country of last permanent residence. It is important for statistical purposes that every alien possessing sufficient means to obtain a country of last permanent residence should state it, except in exceptional circumstances, such as those of refugees.

Aliens having a permanent residence in the United States will be returned from a country abroad, should be classified as emigrants to the United States, and the entry in column 10 should show the last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative or friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, intended by the alien to be his home or location in the United States.

Column 13 (If going to join relative, name such relative).—The entry in column 13 should be either Yes or No (as the case may be).

Column 14 (If going to join relative, name such relative).—The entry in column 14 should show definitely by whom passage was paid—whether himself, father, brother, or other relative, friend, steamship company, etc.

Column 15 (If in his possession $50 and upwards, how much).—The entry in column 15 should state in each case (with figures) the amount of money possessed. Money brought by the alien for a common object to be divided among the several members of the family should be stated in the case of each member of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether or not the alien has been in the United States before, and if so, the time (as nearly as can be stated) and place of last visit.

Column 17 (Whether going to join relative in the United States, and if so, what relative or friend, with name and complete address).—The entry in column 17 should show whether going to the United States to join relatives or friends, and if so what relative or friend, with name and complete address.

Column 18 (Whether having been in prison, etc.).—The answer to the question in column 18 should be "Yes" or "No," as the case may be.

Affidavit of Surgeon.

I, Phillips, Surgeon of the Friesland from Liverpool, (State whether Surgeon or Assistant employed by owners thereof, or the case may be) do solemnly, sincerely, and truly swear that I have had 4 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.P.J. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas Rogers Master of the S.S. Friesland, from Liverpool, do solemnly, sincerely and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas Rogers
Master's Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, glass polisher, tin polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, laborer, or other indefinite designations.

A distinction should be made between *laborers* and *farm laborers*, regardless of the amount of money shown, as follows:

A laborer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made (if necessary) by inspection and registry clerks during the personal examination of aliens arriving.

Aliens in transit (i. e., those passing through and out of the United States) should be recorded under heading of occupation as "In transit." Those coming only to A temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "Laborers," under head of occupation.

Column 7 (Can read and write).—Column 7 is subdivided and the figures therein should be either Yes (Y) or No (N), as read and write. No. 7 can neither read nor write; or Yes. No. 7 can read but not write.

Column 8 (Nation or people).—Column 8 should be construed to mean the country of which unnaturalized, or citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in 6 or 7 or 8, as the case may be.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

HAITIAN.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, as to Carrara and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country, and city or town, of last permanent residence. For immigration and statistical purposes that steamship company is a matter how many years of last permanent residence independent of country of temporary residence, intended or true.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States (or country of last permanent residence).

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, whether in the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No, one to be.

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, mother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as, 1898-97, Philadelphia.

Column 18 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Phillis, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had — years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S. & L.P. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

(Strike out whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be.)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Phillis, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly (here whether "sailing thereto" or "employed by owners thereof," as the case may be.) swear that I have had ___ years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S. & L.P. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 12 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas F. Rogers Master of the ss Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Phillis, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly swear that I have had 7 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I.P. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 11 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas. L. Rogus master of the S.S. Friesland, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 72 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas. L. Rogus
Master. Officer.

Sworn to before me this Fourth day of August, 1907

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter appliance only to those under 1 year of age.

Column 6 (Sex).—The entry in column 6 should be either M (male) or F (female).

Column 7 (Married or single).—The entry in column 7 should be either M (married), S (single), W (widow), or D (divorced).

Column 8 (Occupation).—The entry in column 8 should describe as accurately as possible the occupation, trade, or profession of each alien, avoiding such general terms as laborer, clerk, manufacturer, gentleman, lady, etc. Such occupations as engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, stone polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *printer* and *pressman*, between a *compositor* of the *seamstress*, and a *tailor*.

A person is a tailor who makes men's clothes; a *tailoress* one who makes women's clothes.

A farmer laborer is one who works on a farm for the farmer who employs him.

Steamship companies should make the following points clear, and corrections should be made if necessary by inspectors and deputy clerks during the personal examination of alien arrivals:

Aliens intending to pass through and out of the United States should be recorded under head of "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through to France, should be classed as "tourists" under head of occupations.

Column 9 (Able to read or write).—Column 9 is subdivided into three classes, which should be entitled Yes or No (can read and write), Yes or No (can write but cannot read), Yes or No (can read but not write).

Column 10 (Nationality).—Column 10 should be construed to mean the country of which each person is a citizen or subject.

Column 11 (Race or people).—The entry in column 11 should show the race or people, given in list on page 2 of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and deputy clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the Aborigines Negroes, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether coming to Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entries in column 12 should show the *country only* in case of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, if necessary or usual.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded by manifest as "United States" in connection with last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should give name and address of such relative. If such alien has no relative or friend, the fact should be stated.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) in the United States to which the alien is destined.

Column 15 (If holding through ticket to final destination).—The entry in column 15 should be either Yes (or key) or No (or blank).

Column 16 (If not, whether in possession of sufficient money to land).—The entry in column 16 should show definitely by whom passage was paid, whether self, friend, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50, and if less how much).—The entry in column 17 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Question (Have you ever been in the United States, and if so, when and where?).—The entries in column 18 should show whether ever and (Yes or No) in the United States before and if so, the time (as near as possible) and place (e. g., 1893-97, Philadelphia).

Question (Are you coming by pre-arrangement to join a friend, and if so, what relative or friend?).—The entry in column 19 should show whether coming to join either a relatives or friend; and if so, what relative or friend, with name and complete address.

Columns 20 to 30.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Phillips, Surgeon of the Friesland, from Liverpool, do
(Here insert whether Surgeon sailing therewith "or" employed by owners thereof "as the case may be.")
solemnly, sincerely, and truly swear that I have had ——— years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C. & P. Dublin ——— ———, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J Rogers Master of the St Paul, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

11—1305

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is known, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination of aliens in the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (e. g., 1893-97, Philadelphia).

Column 17 (Coming to join a relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Hillis, Surgeon of the Friesland from Liverpool (State whether surgeon "sailing herewith" or "employed by ——thereof," as the case may be) do solemnly, sincerely, and truly Swear that I have had — years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 12 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Wm. Galotberger

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J. Rogers, Master of the Friesland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Chas J Rogers
Master.

Sworn to before me this Fourth day of August, 1907,

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write). No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising those of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence, and is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as last permanent residence the United States, not country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should show name and address of such relative. If no such relative be here, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination if within the United States country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year for period of years, and place; as, 1894–97, Philadelphia.

Column 17 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 34.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Dillon, Surgeon of the Friesland from Liverpool, do solemnly, sincerely, and truly Swear that I have had years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of R.C.S.I. & L.M. Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 12 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, Chas F. Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entry of age in column 1 should be expressed in years; but if under one year, the letter applying such to illustrate the fraction of age.

Column 2 (Sex).—The entry in column 2 should be "M" for Male or "F" for Female.

Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single). Widowed or divorced to be returned.

Column 4 (Calling or occupation).—The entry in column 4 should describe as definitely as possible the last regular trade or occupation of each alien, as actually pursued, such as farmer, laborer, stonemason, engineer, mechanic, locksmith, cooper, tailor, shoemaker, carpenter, cabinetmaker, painter, glazier, plumber, gasfitter, steamfitter, tinsmith, roofer, slater, mason, bricklayer, stonecutter, miner, engineer, stationary engineer, locksmith, machinist, millwright, moldmaker, pattern maker, molder, weaver, designer, dressmaker, milliner, seamstress, tailoress, housekeeper, nurse, servant, waiter, barber, hairdresser, manicurist, bootblack, porter, janitor, musician, professor, clergyman, author, lecturer, editor, journalist, sculptor, painter, actor, actress, artist (sculptor, painter, musician, etc.), electrician, engraver, decorator, lithographer, photographer, surveyor, mariner, seaman, fireman, scullion, cook, soldier, sailor, or other specific designation.

A description should be given in all cases, however trivial it may appear, as it is the record of the occupation of aliens at the time of their entry into the United States that is desired, and not their occupation in the future.

A laborer who has been employed at a trade should be returned as a mechanic.

A person having no occupation should be returned as "none."

A person formerly employed but now living on his income should be returned as "gentleman" or "lady," as the case may be.

Students, children, and persons of no occupation should be returned as "none."

Housekeepers, housewives, housework, housekeeping, and the like, are not sufficiently specific terms to be used in describing the occupation of aliens.

Persons formerly engaged in any occupation, but incapacitated by reason of old age, sickness, accident, or infirmity from following their usual occupation, should be returned according to their former occupation, with the addition of the words "old age," "sickness," "accident," or "infirmity," as the case may be.

Persons of rank or title who have been accustomed to travel for pleasure, instruction, or health, and who have been in the habit of spending their income in the countries they visit, should be returned as "gentleman" or "lady," as the case may be.

Aliens coming to the United States to accept a definite position should be returned as "professor," "clergyman," "author," "lecturer," "artist," "engineer," "mechanic," "laborer," "servant," "nurse girl," "cook," "waiter," "barber," "tailor," "tailoress," "seamstress," "milliner," "dressmaker," "hairdresser," "manicurist," "bootblack," "musician," "actor," "actress," "sculptor," "painter," "scientist," "electrician," "engraver," "decorator," "lithographer," "photographer," "surveyor," "mariner," "seaman," "fireman," "soldier," "sailor," "agriculturist," "farmer," "stockraiser," "farm laborer," "dairyman," "stonemason," "miner," "contractor," "merchant," "manufacturer," "banker," "capitalist," "publisher," "journalist," "broker," "clerk," "salesman," "accountant," "bookkeeper," "stenographer," "typewriter," "messenger," "porter," "janitor," "housekeeper," "housework," "housekeeping," "steward," "stewardess," "physician," "dentist," "trained nurse," "midwife," "chemist," "missionary," "student," "scholar," "professor," "teacher," "governess," "lecturer," "editor," "journalist," "architect," "draftsman," "inventor," "machinist," "millwright," "moldmaker," "pattern maker," "molder," "weaver," "designer," "locksmith," "cooper," "tailor," "shoemaker," "carpenter," "cabinetmaker," "painter," "glazier," "plumber," "gasfitter," "steamfitter," "tinsmith," "roofer," "slater," "mason," "bricklayer," "stonecutter," "engineer," "stationary engineer," "locksmith," "machinist," "millwright," "moldmaker," "pattern maker," "molder," "weaver," "designer," "dressmaker," "milliner," "seamstress," "tailoress," "housekeeper," "nurse," "servant," "waiter," "barber," "hairdresser," "manicurist," "bootblack," "porter," "janitor," "musician," "professor," "clergyman," "author," "lecturer," "editor," "journalist," "sculptor," "painter," "actor," "actress," "artist (sculptor, painter, musician, etc.)," "electrician," "engraver," "decorator," "lithographer," "photographer," "surveyor," "mariner," "seaman," "fireman," "soldier," "sailor," or other specific designation.

A description should be given in all cases, however trivial it may appear, as it is the record of the occupation of aliens at the time of their entry into the United States that is desired, and not their occupation in the future.

A laborer who has been employed at a trade should be returned as a mechanic.

A person having no occupation should be returned as "none."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, Chas J. Rogers Master of the S.S. Pretoland, from Liverpool, do solemnly, sincerely, and truly swear, that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 22 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, tool polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes can read and write), No (No can neither read nor write), or Yes (No can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 18 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year for period of years, and place; as, 1904-07, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I. C. E. Jones, Surgeon of the S/S Nippon, E. Ry. Co., (State whether Surgeon, acting Surgeon, or employed by Company) do solemnly, sincerely, and truly swear, that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons, Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Column 6 (Married or single). The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien, stating (for example) whether farmer, stationary engineer, locomotive engineer, mason, miner, bricklayer, tailor, printer, clerk, waiter, cook, barber, etc., and not simply laborer, laboress, or servant. Persons formerly engaged in any occupation, trade, or profession, but not following it when they take passage, should be returned as having the occupation, trade, or profession which they have followed, if any, and not as having no occupation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money owned by either. Thus:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction in the manifests, and corrections should be made if necessary by inspectors and deputy boards during the personal examination of aliens arrived.

Aliens intending to join themselves and not a family in the United States should be so marked under head of occupation as "no trade," "none," or "single," and not as a tailoress, seamstress, housekeeper, etc., unless they have been employed at such trade, occupation, or profession for a considerable length of time, and intend to follow it in the United States.

Column 8 (Able to read and write). [illegible] should be entered "Yes" if the person can read and write in any language, and "No" if he cannot read and write.

Column 9 (Nationality). Column 9 should be completed to show the country of which the alien is a native or a citizen or subject.

Column 10 (Race or people). The entry in column 9 should show the race or people to which he belongs, as the Anglo-Saxon, Celtic, Hebrew, etc.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and boards of special inquiry. For instance, "France" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the peoples of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to all Negroes coming to the United States or other countries of the Western Hemisphere, whether from Europe or Africa. No alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who live north of the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and the Emilias), whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 11 (Last previous permanent residence—the country whose citizen or subject the alien last was). The entry in column 11 should be the country of which the alien last was a citizen or subject. [illegible] for temporary purposes [illegible] considered domiciled [illegible] permanent residence [illegible] intends to return [illegible] temporary residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 12 should be the name and address of the nearest relative. If no such relative [illegible] the name and address of a friend.

Column 13 (Final destination—if person is going to join relative, name and address of such relative). The entry in column 13 should be definitely the place (city or town) of final destination intended in the United States, country, if not in the United States.

Column 14 (Whether having a ticket through; whether prepaid; whether in possession of money, and how much—if less than $50). The entry in column 14 should show whether the alien's passage was paid by himself or by relatives or other friends, or by the transportation company.

Column 15 (Whether in possession of $50 and whether ever before in the United States). The entry in column 15 should show the exact amount of money shown. Money brought to the head of a family should not be divided among the several members of the family.

Column 16 (Whether coming to join a relative or friend, and if so, what relative and where). The entry in column 16 should show whether or not the alien has been in the United States before, and if so, the last time he arrived and departed. Philadelphia

Column 17 (Ever in jail or almshouse—if so, how often and when). The entry in column 17 should show whether the person is coming to join a relative or friend, and if so, what relationship. If [illegible] not coming to join relatives [illegible]

Column 18 (Health, mental and physical defect). The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

C. do solemnly, sincerely, and truly declare, that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons of Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 and 2.—The entries in these columns should be arranged in the order of numbers, the latter appearing in both columns on the same line.

Column 3 (Name).—The name of each alien should be plainly written in full.

Column 4 (Married or single).—The entry in column 4 should be written "married" or "single." Write the word and not the letter only.

Column 5 (Calling or occupation).—The entry in column 5 should state definitely as possible the occupation (trade, or profession) of every alien, even of a child. Such general terms as "laborer," "servant," "clerk," "engineer," "manufacturer," "agent," "dealer," and "gentleman" will not be sufficient. Whatever occupation is returned for an alien must be followed, if at all, by a statement of the number of months during the past year he has been employed at such occupation, and the number of months he has been without employment during the past year. Thus, a laborer who has been employed at his occupation during the entire year should have the word "laborer" followed by the figures "12" in this column; a person formerly employed as a laborer, but without employment for the past six months, should be returned as "laborer, 6"; a person having no occupation, and without employment for the past year, should be returned as "none, 0"; a person having no occupation, but employed during the past eight months, should be returned as "none, 8"; a person formerly employed as a clerk, but without employment for the past two months, should be returned as "clerk, 10"; a person having no occupation, but employed during the entire year, should be returned as "none, 12."

Column 6 (Age).—The entry in column 6 should be the age at last birthday of the person whose name is entered in column 3.

Column 7 (Sex).—The entry in column 7 should be "male" or "female," according as the person is male or female.

Column 8 (Whether single or married).—The entry in column 8 should be "single" or "married," according as the person is single or married.

Column 9 (Person's birthplace).—The entry in column 9 should be the country of birth, as far as known. Where the birthplace is given in the Census records by the name of a province, state, district, or city, the name of the country should be added. Thus, "Russia" is not sufficient, but "Russia, Poland," "Russia, Finland," "Russia, Germany," "Russia, Sweden," "Russia, Lithuania," "Russia, Asia," "Russia, Turkestan," "Russia, Caucasus," "Russia, Siberia," "Russia, Armenia," "Russia, Hebrew," "Russia, Jewish," "Russia, Polish," "Russia, Ruthenian," "Russia, Moldavian," "Russia, Bessarabian," "Russia, Georgian," "Russia, Tartar," "Russia, Crimean," "Russia, Black Sea," "Russia, Baltic Provinces," "Russia, Courland," "Russia, Livonian," "Russia, Esthonian," "Russia, Finnish," "Russia, Archangel," "Russia, Volga," "Russia, Ural," "Russia, Caucasian," "Russia, Persian," "Russia, Kirghese," "Russia, Siberian," "Russia, Steppe," "Russia, Tobolsk," "Russia, Yakutsk," "Russia, Kamchatka," "Russia, Koriak," "Russia, Tungusian," "Russia, Samoyed," "Russia, Ostiak," "Russia, Tschuktschi," "Russia, Aleutian Islands," "Russia, Alaska," "Russia, Finn," "Russia, Lapp," "Russia, Gypsy," "Russia, Mennonite," "Russia, Dukhobor," "Russia, Molokan," "Russia, Old Believer," "Russia, Nihilist," "Russia, Pole," "Russia, Cossack," "Russia, Circassian," "Russia, Georgian," "Russia, Mingrelian," "Russia, Lesghian," "Russia, Imeritian," "Russia, Kurd," "Russia, Armenian," "Russia, Greek," "Russia, Roumanian," "Russia, Bulgarian," "Russia, Servian," "Russia, Montenegrin," "Russia, Albanian," "Russia, Greek Catholic," "Russia, Roman Catholic," "Russia, Mohammedan," "Russia, Buddhist," "Russia, Shamanist," "Russia, Pagan," "Russia, Manchu," "Russia, Mongolian," "Russia, Chinese," "Russia, Japanese," "Russia, Corean," "Russia, Kalmuck," "Russia, Uzbek," "Russia, Tadjik," "Russia, Turkoman," "Russia, Afghan," "Russia, Persian," "Russia, Kurd," "Russia, Arab," "Russia, Jew," "Russia, Negro," "Russia, Abyssinian," "Russia, Egyptian," "Russia, Nubian," "Russia, Berber," "Russia, Moor," "Russia, Tuareg," "Russia, Fellah," "Russia, Bedouin," "Russia, Touareg," "Russia, Kabyle," "Russia, Riffian," "Russia, Shilha," "Russia, Tibbu," "Russia, Soudanese," "Russia, Hausa," "Russia, Fulah," "Russia, Bornuese," "Russia, Wadai," "Russia, Bagirmi," "Russia, Kanuri," "Russia, Shuwa," "Russia, Mandara," "Russia, Bagrimma," "Russia, Kotoko," "Russia, Logone," "Russia, Musgu," "Russia, Baele," "Russia, Mandja," "Russia, Banda," "Russia, Niam-Niam," "Russia, Monbuttu," "Russia, Mombuttu," "Russia, Akka," "Russia, Madi," "Russia, Dinka," "Russia, Shir," "Russia, Nuehr," "Russia, Bongo," "Russia, Kredy," "Russia, Golo," "Russia, Kich," "Russia, Kaffa," "Russia, Galla," "Russia, Somali," "Russia, Danakil," "Russia, Adal," "Russia, Harari," "Russia, Agau," "Russia, Falasha," "Russia, Amharic," "Russia, Tigre," "Russia, Bilin," "Russia, Hamasen," "Russia, Shoan," "Russia, Gafat," "Russia, Kamant," "Russia, Wallamo," "Russia, Kaffa," "Russia, Gimira," "Russia, Enarea," "Russia, Konta," "Russia, Janjero," "Russia, Gurage," "Russia, Adari," "Russia, Zeila," "Russia, Aussa," "Russia, Obock," "Russia, Bedouin

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Hill (Master, Commanding Officer, First or Second Officer), of the S/S. Merion, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. B. Hill
Master Officer.

Sworn to before me this 4 day of August, 1907

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer is one who operates a farm, either for himself or others.

Farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination after arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States but not intending to pass through in transit, should be classed as tourists under head of occupation.

Column 7 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in last column, "Nationality," and not as stated.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country* last permanent residence. It is important for statistical purposes that steamship companies should invariably show country of last permanent residence independent of country of temporary sojourn, nationality, or race.

Aliens who have permanently resided in the United States and are returning from a visit abroad should be recorded on manifests as from the United States, country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative be living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket through to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50 and whether going to join relatives or friends, and if so, what relatives or friends, with name and complete address).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before; and if so, the year (or period of a few years) and place, as "1894-97, Philadelphia."

Column 16 (Whether going to join relatives or friends, and if so, what relatives or friends).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relatives or friends, with name and complete address.

Columns 17 to 21.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the S.S. Nerija, E.B.C. (state whether Surgeon sailing therewith "for" employed by owners thereof or otherwise may be), do solemnly, sincerely, and truly swear that I have had [illegible] years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, two in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, S. R. Stiller, (Make whether Master, First or Second Officer) of the U.S. Baron, from Lisbon, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 20, in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. R. Hall
Officer

Sworn to before me this 10 day of August, 1907.

at Boston

John D. Harper
Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, stating, under no circumstances, for example, "laborer," "clerk," "engineer," "mechanic," "manufacturer," "gentleman," "lady," or "none." If a laborer, specify what kind of laborer, whether agricultural laborer, general laborer, or laborer in some specified line of industry. If a mechanic, specify what kind of mechanic, whether carpenter, shoemaker, tailor, cooper, blacksmith, engineer, stationary engineer, locomotive engineer, mining engineer, lace operator, wood polisher, iron molder, wood carver, etc., and not simply "engineer," "mechanic," "operative," "laborer," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, giving the former credit only for such property as belongs to them.

A farmer is one who owns or hires and manages a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made at the ports of entry by inspectors and registry clerks having the personal examination of the aliens.

Absolutely nothing to pass the head tax and entry of the United States should be recorded here [and the inspection at the transit stations of those coming only for a temporary sojourn in the United States, but not intending to pass through to transit stations beyond, should be classed as "seaman" and "no occupation."]

Column 7 (Able to read and write).—Column 7 is subdivided and two entries are required. If the alien can read and write, Yes, Yes should be entered; if he can neither read nor write, No, No should be entered; if he can read but not write, Yes, No should be entered.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs. For example, Anglo-Saxon, English, Irish, Scotch, Welsh, German, French, Italian, Spanish, Portuguese, Dutch, Flemish, Swedish, Norwegian, Danish, Russian, Polish, Finnish, Hebrew, Bohemian, Moravian, Slovak, Servian, Croatian, Dalmatian, Bosnian, Herzegovinian, Montenegrin, Greek, Lithuanian, Magyar, Roumanian, Armenian, Bulgarian, Turkish, Syrian, Japanese, Chinese, Hindu, East Indian, Mexican, Cuban, West Indian, Scandinavian, Negro, Spanish American, Portuguese American, Central American, South American, Indian, Ethiopian, Arabian, African (black), Pacific Islander, Australian, New Zealander, Tasmanian, Maori, etc.

Special attention is called to the distinction between race and nationality, and applicants should be carefully examined by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Negro or South American, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America, or elsewhere, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, Marches, Central Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country and city [or town] of last permanent residence, as to exclude temporary sojourn for business or pleasure, or other transient purposes, that is, residence in which there is no intention of fixed permanency. [Country of last permanent residence should be entered.]

Aliens who are permanent residents of the United States and are returning from a visit abroad should be considered as residents of the United States for purposes of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of husband, wife, father, mother, child, brother, sister, grandparent, uncle, aunt, or cousin. [Do not accept "friend" unless name and address of friend.]

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in the United States, country if outside the United States.

Column 13 (If holding a ticket to such final destination).—The entry in column 13 should be either Y (for yes) or N (for no).

Column 14 (Whether going to join relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 14 should show definitely the relationship, if any, of the person to whom the alien is going, whether husband, wife, father, mother, child, brother, sister, grandparent, uncle, aunt, cousin, friend, or employer, and the name and complete address of such person.

Column 15 (Whether in possession of $50 and if less how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money in possession. Money belonging to the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place, as 1894-97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspection officer at the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. R. Hill (State whether Master, First or Second Officer) of the S.S. Marcia, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. R. Hill
Officer.

Sworn to before me this 8 day of October, 1907.

John D. Hunter
Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as specifically as possible the occupation, trade, or profession of each alien, as farmer, carpenter, civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, servant, or laborer, but simply as engineer, polisher, mason, tailor, or other indefinite designation.

A distinction should be made between *farm laborers* and *farmers*, regardless of the amount of money shown, as follows:

Farmer. A man who partakes a farm, either for himself or others.

Farm laborer. One who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens coming to pass through and out of the United States should be recorded under this head in relation to the country of which they are subjects or citizens. Those coming only for a temporary sojourn in the United States, but not intending to pass through to transit, should be classed as temporary or limited local residence.

Column 7 (Able to read and write).—Columns 7 and 8 subdivided and the entries therein should be either "Yes" or "No." Yes means read and write; No, No, means neither read nor write; Yes, No means read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which the alien is a subject or citizen or both.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs, as the manifest.

Special attention is directed to the distinction between race and nationality, and masters should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, but nationality. "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race ought to be so marked, the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country* of which each alien last became a resident. It is important for occupational purposes that the immigrant's answer to this question be the country of last permanent residence, not country of birth or of last transit. Intending immigrants frequently change their residence from country to country before coming to the United States.

Aliens having been permanent residents of the United States and who return to it from a visit abroad should be recorded as residents of the United States. The country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such, the fact, stating, should be shown.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country if outside the United States.

Column 13 (If having been previously in United States, when and where).—The entry in column 13 should be either Yes, Yes, or No, No.

Column 14 (Ticket purchased by).—The entry in column 14 should show whether ticket was purchased by the alien himself or by others.

Column 15 (Have you money and how much?).—The entry in column 15 should show whether the alien has money in his possession and how much. If he has money, but refuses to state the amount, the fact should be noted.

Column 16 (Whether in possession of $30 and whether less than $30).—The entry in column 16 should give in each case the personal or family (the exact amount of money shown). Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether going to join a husband, father, or other relative in the United States, and if so, what relative and where).—The entries in column 17 should show whether Yes or No in the United States before, and if so, the name and relationship of such person, and where he resides.

Column 18 (Whether going to join a husband, father, or other relative in England).—The entry in column 18 should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Column 19 (Remarks).—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. O. Jones, Surgeon of the S.S. Kerion, from C. Bay C, do solemnly, sincerely and truly swear that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. B. Hall (State whether Master, First or Second Officer), of the S/S Nerio, from Loando, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. B. Hall
Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* [illegible] who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made of manifests by inspectors and registry clerks during the personal examination of aliens [illegible].

Aliens coming to and going through and out of the United States should be recorded under head of "contract," "no contract," "coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of "occupation."

Columns 7, 8, 9 (Able to read and write).—Columns 7, 8, 9 are subdivided and the entries therein should be either Yes or No. Yes, can read and write; No, No, cannot either read nor write, or Yes, No, can read but not write.

Column 10 (Nationality).—Column 5 should be construed to mean the country of which immigrant is a citizen or subject.

Column 11 (Race or people).—The entry in column 9 should show the race or people as given at foot or each of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Umbria, Marches, Campagna Romana, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 12 (Last permanent residence).—The entries in column 12 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that Steamship companies accurately show country of last permanent residence independent of country of temporary residence, in all cases.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" as country of last permanent residence.

Column 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 13 should be a name and address of such relative. If no such relative is living, give name and address of friend.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 15 (Whether having a ticket through and if not, by whom purchased).—The entry in column 15 should be either Yes (ticket) or No (no ticket).

Column 16 (Whether in possession of $50 and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if yes, the year (or period of years) and places, as 1894, 97, Philadelphia.

Column 18 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the R. M. Service, E. Ry. C, do solemnly, sincerely, and truly declare that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. R. Hill, (State whether Master, First or Second Officer) of the S.S. Marion, from Liverpool, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 20 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Master Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months; the latter appropriately to children under 1 year old.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe accurately as possible the occupation which each alien has followed during the past year. Clerks, CAREFUL engineers, STATIONARY engineers, locomotive engineers, mariners, seamen, farmers, laborers, tailors, tailoresses, servants, waiters, waitresses, barbers, hairdressers, bakers, butchers, boatmen, sailors, weavers, carpenters, joiners, stonemasons, bricklayers, plasterers, painters, glaziers, potters, lithographers, printers, gardeners, florists, nurserymen, cabinetmakers, furriers, milliners, dressmakers, seamstresses, housekeepers, laundresses, nurses, midwives, physicians, surgeons, musicians, actors, actresses, authors, editors, clergymen, lawyers, merchants, manufacturers, and all others, should be clearly specified. Such entries as "laborer," "domestic," "servant," "student," "artisan," "mechanic," "agent," "clerk," "operative," "dealer," "manufacturer," "engineer," "gentleman," "lady," "boy," "girl," "child," "miner," "peddler," "driver," or "machinist" are indefinite and unsatisfactory, and will not be permitted unless the word is further explained. Common laborers who have no special occupation should be returned as such. Women and children, who usually have no occupation, should be returned as having none.

A distinction should be made between *farmers* and *farm laborers*. Some of the statements of farmers should read as follows:

A farmer is one who owns or hires and works a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the farmer who employs him.

Steamship companies should make the distinction on the manifests and connecting lines should be made unnecessary by inspectors and registry clerks insisting upon proper entries at ports of arrival.

Aliens intending to pass through and out of the United States should be described under heads of occupation as "In transit." Those coming only for a temporary residence in the United States, but not intending to pass through in transit, should be classed as "Temporary" under a head of occupation.

Column 8 (Can read and write).—The entry in column 8 should be either "Yes" or "No." Those who can read but not write should be returned as "Yes." Those who can read but not write should be returned as "No."

Column 9 (Nationality).—Column 9 should be confined to name the country of which the person mentioned as a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as generally understood, as the Anglo-Saxon, the Celt, the Teutonic, the Hebrew, the Slavonic, the Latin, the Mongolian, the Negro, the Polynesian, the Indian, the Japanese, the Chinese, the Hindu, the Bohemian, the Moorish, the Spanish, the Italian, the Dutch, the French, the German, the Irish, the Scotch, the Welsh, the Russian, the Polish, the Finnish, the Turkish, the Armenian, the Bulgarian, the Servian, the Roumanian, the Greek, the Syrian, the Magyar, the Croatian, the Ruthenian, the Slovak, the Dalmatian, the Bohemian, the Moravian, the Slovenian, the Carniolan

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Little, (State whether Master, First or Second Officer.) of the S.S. Nereus, from Seal, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 5 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. B. Little
Officer.

Sworn to before me this 8 day of September, 1903,

John H. Harper
Commissioner of Deeds.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections could be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Columns 7 is subdivided and the entries therein should be either Yes or No. Yes (can read and write). No. No (can neither read nor write). or Yes. No (can read but not write).

Columns 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a native or subject.

Columns 9 (Race or people).—The entry in column 9 should show the race or people as given in last column but one of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, sojourn, or visit.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as members of United States as country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show distinctly the place (city or town) of final destination, or written intent in United States country, if outside the United States.

Column 13 (Whether having a ticket through to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50, and if less how much).—The entry in column 14 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members. (See Circular.)

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether (yes or no) in the United States before, and if so, the year (or period of years), and place; as, 1894-97, Philadelphia.

Column 16 (Whether going to join relatives or friends, and if so, what relatives or friends).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Bowes, Surgeon of the R.M. Steamship "Empress", do solemnly, sincerely, and truly swear that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons of Quebec, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

BOARD OF SPECIAL INQUIRY. PASSED BY

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Hall, of the S.S. Marion, from E. Bay C., do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 21 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. B. Hall, Master. Officer.

Sworn to before me this 16 day of August, 1907

John T. Harper
Inspection Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entry of age in column 5 should be expressed in years or months, the latter expression only to those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or Single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation pursued by each alien, as for example: Clerk, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher (state whether wood turning, etc., and not simply as engineer, polisher, machinist, or other indefinite designation).

A distinction should be made between "farmer" and "farm laborer," regardless of the ownership of property shown on the lists.

A person who has no calling is a *farmer*, either for himself or others.

A person who is employed by others is a *farm laborer*.

A person who works on a farm for the part of the year is a *farmer*.

Steamship companies should make their determination on the questioning and corrections should be made by the inspectors and registry clerks during the personal examination of aliens at ports.

Aliens proceeding to pass through, and not to the United States should be recorded under heads of "contract" as "in transit" (if accompanied) or "unaccompanied" as to the United States, but not intending to pass through it, should be classed as "contract" under head of occupation.

Column 5 (Able to read or write).—Column 5 is intended to ascertain the ability of the alien to read and write. Not "can read and write" or "cannot neither read nor write," or Yes, No, but "read and write."

Column 6 (Nationality).—Column 6 is intended to mean the country of which the alien is a native or citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given for the purpose of this question.

Special attention should be paid to the distinction between race and nationality, and each should be carefully noted by inspectors and registry clerks in this regard. For instance, "Hebrew" as pertaining to a nationality does not necessarily mean "French" by race or people, and similarly "French" as pertaining to a race does not necessarily mean "French" by nationality. An alien who is Irish, German or Hebrew by race cannot properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CHINESE.

The term "Chinese" refers to the Chinese people and Negroes.

JAPANESE.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Northern South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entry in column 8 should show the name of city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country to which they are booked, i. e., not "Liverpool" or "Paris."

Aliens who are permanent residents of the United States and are returning from a visit abroad should be considered as immigrants to the United States for country of last permanent residence.

Column 9 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 9 should give name and address of such relative. If no such relative, he may give name and address of friend.

Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 11 (Whether having a ticket through and if not, how much paid).—The entry in column 11 should be either Yes or No (or Y. or N.).

Column 12 (If any amount was possessed, how much).—The entry in column 12 should show the amount of money possessed by the alien, whether in gold, silver, bother or other negotiable financial steamship company, etc.

Column 13 (Whether in possession of ticket, and whether has been assisted).—The entry in column 13 should state in each case (unassisted or assisted) the exact amount of money possessed. Money brought in the pocket of a family should not be divided among the several members of the family.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entry in column 14 should show whether or not (Yes or No) in the United States before, and if so, the year and period of visit and place (as 1894 N. Philadelphia).

Column 15 (Whether going to join relatives or friends, and if so, to what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 16 to 34.—The answers to these questions are required to envision by any inspection officer at the examination of aliens.

Affidavit of Surgeon.

I, C. V. Jones, Surgeon of the U.S.A. Mercer - E. By. 6, do solemnly, sincerely, and truly swear that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Hall, (State whether Master, First or Second Officer.) of the S.S. Aaron; from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. B. Hall
Master. Officer.

Sworn to before me this 4th day of August, 1907,

at Liverpool

John T. Hart
Immigrant Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1904, Philadelphia.

Column 17 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. R. Hall, (Name of Master, Chief or Second Officer) of the S.S. Merida, from _____, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes. Yes (can read and write), No. No (can neither read nor write), or Yes. No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or South American Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. O'Jones M.D., Surgeon of the S.S. Nerion, C.P.R. Co.
(State whether Surgeon employed by themselves or by owners thereof, as the case may be.)
solemnly, sincerely, and truly swear that I have had 11 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons, Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. Ratkill Lieut, (State whether Master, First or Second Officer) of the U.S. Marion, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. Ratkill Lieut Officer.

11-115

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place (as, 1894, 97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. O. Jones, Surgeon of the U. S. Marine, E. by C., (State whether "surgeon" "acting therewith" or "employed by owners thereof" as the case may be.) do solemnly, sincerely, and truly swear that I have had 15 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons, Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, B Sellers, of the Str. Paris, from Le Havre, 19 [illegible], solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 53 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The figures of age in column 1 should be expressed in years or months. The latter may be used only for those under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widowed), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as precisely as possible the occupation, trade, or profession of each alien, as for example: Clerk, engineer, shoemaker, tailor, mechanical engineer, machine engineer, house builder, steel polisher, iron molder, wood turner, etc. And not simply laborer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *laborer* and *farm laborer*, regardless of the statement of alien as to intended occupation in the United States.

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the purpose of tilling the soil.

Special precautions should be taken that instructions to the inspectors and examinations should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of "Passengers in Transit." Those coming only for a temporary purpose in the United States, but not intending to pass through or transit, should be classed as "Visitors" under head of "Destined."

Columns 5 (Able to read) and 6 (Able to write).—Columns 5 and 6 are subdivided and the entries therein should be either Yes. Yes (can read and write), Yes—No (can read but not write), or No—No (can neither read nor write).

Column 7 (Nationality).—Column 7 should be construed to mean the country of which the alien last was a citizen or subject.

Column 8 (Race or people).—The entry in column 8 should show the race or people as given in list as follows:

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, South or Central America, Europe or Africa. Any distinctive designation indicative of admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entry in column 9 should show the country, and city or town of last permanent residence. It is important for statistical purposes that citizenship conferred upon minors by naturalization of parents be disregarded and country of subsequent residence subsequently or later.

Aliens returning to permanent residence in the United States and are returning from a visit abroad should be credited to same town as in which United States the country of last permanent residence.

Column 10 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 10 should give name and address of nearest relative or friend in such foreign country whence alien came and last lived or found.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination. It will not be sufficient to write "United States" only, or even the State.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (Who paid passage).—The entry in column 13 should show definitely by whom passage was paid, as "self," "husband," "father," "brother," or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if not, how much).—The entry in column 14 should give in each case exhibited or found the exact amount of money shown. Money brought by or in hand of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States and if so, when and where).—The entry in column 15 should show whether or not Yes or No in the United States before, and if so, the year (or period of years) and place (as "1904-07, Philadelphia").

Column 16 (Whether going to join husband or other relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 21.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. D. Jones, Surgeon of the S/S Merion, E. Ry. C, do solemnly, sincerely, and truly swear that I have had 1 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons of Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Mrs Kalkbrenner

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B. Hill, of the S.S. Marion, from Boston, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 55 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

J. B. Hill
Master. Officer.

Sworn to before me this 11th day of August, 1900

at Boston

John F. Harfer
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers*, and *farm laborers*, regardless of the amount of money shown, as follows:

Farmer.—One who operates a farm, either for himself or others.

Farm laborer.—One who works on a farm for the make who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit"; those coming only to a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Columns 7 is subdivided and the entries therein should be either Yes (Yes can read and write), or No (No can neither read nor write), or Yes, No (can read but not write).

Columns 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Columns 9 (Race or people).—The entry in column 9 should show the race or people as given in bot on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Final destination).—The entry in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies give accurately above country of last permanent residence independent of country of temporary residence, note sojourn, or visit.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in United States (country, if out of the United States).

Column 13 (If ticket bought in United States state by whom).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money should be the head of a family should be divided among the several members of the family.

Column 16 (Whether going to join husband or other relative in United States, and if so, where and what).—The entry in column 16 should show whether going to join husband (Yes or No) in the United States before, and if so, the name and address of husband, and place, as "No. 26, Philadelphia."

Column 17 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. O. Jones, Surgeon of the, U.S. Mexia, G. Ry. C., (State whether "surgeon sailing under contract" or "employed by owners thereof" as the case may be.) do solemnly, sincerely, and truly swear that I have had 10 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons St. Lubelin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. Krill, of the S.S. Merion, from Rotterdam, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

C. Krill
Master.

Sworn to before me this 17 day of December, 1907

at Philadelphia

John T. Harfas
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age).—The return of age in column 4 should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 2 (Sex).—The letter in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single). Widowed persons should be returned as married.

Column 4 (Calling or occupation).—The entry in column 4 should be such as to show as nearly as possible the occupation (trade, profession, or kind of work) of each person 10 years old and over, whether employed or not. Persons having no occupation should be returned as "none." Laborers, without specification, should be returned as such. Do not use indefinite terms, such as "manufacturer," "dealer," "trader," "clerk," "agent," "gentleman," "lady," or "servant," unless such terms are specified by the person himself as his occupation.

A description should be made between *farmer* and *farm laborer*, according to the meaning of the words as follows:

A farmer owns or hires laborers to farm, either for himself or others.

A farm laborer works on a farm for wages, either for himself or others.

Steamship companies should make due allowance on the manifests and correspondence should be had, if necessary, at inspection and registry ports during the period of examination of immigrants.

Columns 5 (Nationality).—Natives of the United States should be returned as such, whether born in the United States or elsewhere. "Returning" aliens coming only for a temporary visit to the United States should be returned according to their birthplaces. Aliens coming only for a temporary visit to the United States, but intending to pass through in transit, should be classed according to their land of occupation.

Column 6 (Whether can read or write).—Column 6 is established and the entries therein should be either Yes or No. "Can read and write." No can neither read nor write. Yes, No can read, but not write.

Column 7 (Race or people).—Column 7 should be considered to mean the country of which immigrant is a citizen or subject.

Column 8 (Race or people).—The entry in column 8 should show the race or people as given in lists or bills of sight of baggage.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" in race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

ITALIAN.

The words "Italian" or "Italian race" refer to natives of the Kingdom of Italy, to persons from Corsica or other adjacent islands, to Italians from Austria-Hungary, Asiatic Turkey, or Africa. A native of some Asiatic or other country should be classified under that heading.

HEBREW.

The words "Hebrew" or "Hebrew race" do not indicate nationality, but race or people. Hebrews may be of Turkish, Arabian, Persian, Spanish, Portuguese, Italian, German, Russian, English, or other nationality.

SCOTCH.

The people who are natives of that portion of Great Britain south of the Firth of Forth, including the Shetland Islands, Orkney Islands, Hebrides, and other islands belonging to Scotland, should be returned as "Scotch," and not as "English" or "British."

Columns 9 (Last permanent residence).—The entry in column 9 should show the country of last permanent residence, as distinguished by the established usage of nations, of each alien, whether a citizen of such country or not. Last permanent residence is independent of temporary residence, sojourn, or transit.

Aliens who are permanent residents of the United States should not be returned from a port abroad, as such persons are not to be regarded as immigrants, but as returning residents.

Column 10 (Name and complete address of person to whom immigrant is going).—The entry in column 10 should show the name and complete address of such relative. If no relative, friend, or acquaintance, state "No one."

Column 11 (Final destination—if not to a place in the United States, write "Through").—The entry in column 11 should show the place (city or town) to which the alien is destined in the United States. If destined to Canada, write "Through" opposite the name.

Column 12 (Whether going to join a relative or friend, and if so, what relative or friend, and its name and complete address).—The entry in column 12 should show whether going to join either a relative or friend; and if so, what relative or friend, and name and complete address.

Column 13 (Whether in possession of $50 and if less how much).—The entry in column 13 should be "Yes" or "No," as the case may be.

Column 14 (Whether ever in prison or almshouse).—The entry in column 14 should show whether the alien has been in prison or almshouse, or supported by charity, and if so, which.

Column 15 (Whether a polygamist).—The entry in column 15 should show whether the alien is a polygamist.

Column 16 (Whether an anarchist).—The entry in column 16 should show whether the alien is an anarchist.

Column 17 (Whether coming under contract or agreement to perform labor).—The entry in column 17 should show whether the alien has a contract or agreement to perform labor in the United States, and the nature of such contract.

Column 19 (Whether going to join a husband or other relative or friend).—The entry in column 19 should show whether going to join either a relative or friend; and if so, what relative or friend, and name and complete address.

Columns 15 to 19.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, J. B Keller, (State whether Master, First or Second Officer) of the F. S. Mercer, from Progreso, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien as such, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

5—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 18 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place—as, 1894-97, Philadelphia.

Column 17 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to ——.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I C. O'Jones, Surgeon of the S.S. Merion, E. & Ry C. (Here state whether "Surgeon," "Acting Surgeon," or "Contract Surgeon," as the case may be.) do solemnly, sincerely, and truly declare that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the College of Surgeons Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, C. L. Hill, of the Fl. Heron, from Key West, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 25 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, lead polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Going to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. B. Jones, Surgeon of the U.S. Mercer, E. Bty C, do solemnly, sincerely, and truly swear that I have had 18 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The College of Surgeons' Dublin, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 25 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whose means passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $—, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I Chris a. Lusack Surgeon of the S.S. Westerland do solemnly, sincerely, and truly swear that I have had three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians & Surgeons, Ireland and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets 6 in number are, according to the best of my knowledge and belief, full correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. W. D. Farrer (Master, or other Officer) Master of the S. S. Westernland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 6 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. W. D. Farrer

Master

Sworn to before me this 14 day of August, 1907.

John B. Harris

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed by years or months, the latter applied only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as much in detail as possible the occupation, trade, or profession of each alien, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of means a person is of following:

A *farmer* is one who owns or rents a farm, cultivating it for himself or others.

A *farm laborer* is one who works on a farm for the owner who employs him.

Steamship companies should make this distinction in their manifests, and corrections should be made at the port of arrival by inspectors and registry clerks during the personal examination of aliens arriving.

Aliens entering the United States from any part of the United States should be recorded under head of occupation as "No trade." Those coming only for a temporary sojourn in the United States, and not intending to take up permanent residence, should be classed as "Tourist," under head of occupation.

Columns 7 (Able to read) and 8 (Able to write).—Column 7 is to be filled out and the entries therein should be either Yes or No. Yes means read and write; No means neither read nor write. Yes can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifest should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing over manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing over manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the native people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people native to West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other West Indies, Central or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and the descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 11 should show the *country* of last or present permanent residence. It is important for statistical purposes that in making out manifests great care be taken to show country of last permanent residence instead of country of temporary residence, intended visit, or sojourn.

Aliens who are in possession of passports issued by the United States and are returning from a visit abroad should be recorded as to permanent residence in country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should show name and address of such relative. It is not sufficient to state "wife," "father," "brother," or "friend."

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) to which destination is sought in the United States or country, if outside the United States.

Column 14 (Whether having a ticket through and whether paid for by self or other person or corporation).—The entry in column 14 should be either Yes (ticked) or No (not ticked).

Column 15 (If not, whether in possession of $50 and how much).—The entry in column 15 should show definitely by which passage was paid, by self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 or more, and if less how much).—The entry in column 16 should be in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not Yes or No in the United States before, and in the case of a person who has been in the United States, Philadelphia.

Column 18 (Whether going to join a husband, father, or other relative, and if so, what relative or friend, and his name and complete address).—The entry in column 18 should show whether going to join husband, relative or friend, and if so what relative or friend, and his name and complete address.

Column 19 (Condition).—The answers in Column 19 are subject to revision by any inspector, either at the port of arrival or at any subsequent time.

Affidavit of Surgeon.

I, Christopher Albert Lusack, Surgeon of the S.S. Westernland, _____, do solemnly, sincerely, and truly swear that I have had three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Physicians and Surgeons Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entry of age in column 3 should be expressed in years or months, the latter only being used for those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in possession.

A *farmer* is one who owns or hires a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made at the seaports by inspectors and registry clerks during the personal examination of aliens detained.

Aliens traveling in pass through and out of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States but not intending to pass through in transit should be classed as "tourists" under head of occupation.

Column 6 (Able to read and write).—Column 6 is subdivided and the entries therein should be either Yes—Yes (in one line) and written, Yes—Yes (in months), and not written, or Yes—No (can read but not write).

Column 7 (Nationality).—Column 7 should be construed to mean the country of which immigrant is a citizen or subject.

Column 8 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising provinces of Piedmont, Lombardy, Venetia, and Emilia) and Tuscan descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprising provinces of Liguria, Piedmont (as to Massa and Carrara), Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 9 (Last permanent residence).—The entry in column 10 should show the country, and city or town, of last permanent residence. It is important for statistical purposes that steamship companies fully show country of last permanent residence independent of country of temporary residence, nationality, or race.

Column 12 (Whether having a ticket by such land or sea route).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 13 (Who paid passage).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friends; steamship company, etc.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. W. D. Turner (Master) of the S. S. Westernland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 6 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. W. D. Turner
(Officer.)
Master.

[illegible] Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age). The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien over 14 years of age. Avoid such general terms as laborer, clerk, engineer, farmer, manufacturer, dealer, etc. Such occupations should be described as follows: Coal miners, stationary engineers, locomotive engineers, farmers, cotton manufacturers, bankers, lawyers, physicians, surveyors, weavers, etc., and not simply as miners, bankers, merchants, engineers, etc.

A distinction should be made between farmers and farm laborers, and between managers of the various classes of business and the ordinary employees.

A laborer is one who performs coarse, either for himself or others.

A farmer is one who owns or rents a farm for the use of which he pays a rent.

Skilled workmen should be distinguished from the unskilled laborers, and each person should be described by the occupation at which he is employed, and which he is following at the time of his departure from his last foreign home.

Aliens coming to the United States to avoid conscription or military service should be reported as such, and not simply as laborers, farmers, etc.

Column 7 (Nationality). In column 7 individual races or peoples, rather than countries, should be given. Thus, Scotch, English, Welsh, German, Irish, French, Italian, Spanish, Portuguese, Dutch, Flemish, Swedish, Norwegian, Danish, Russian, Polish, Finnish, Hebrew, Bohemian, Moravian, Slovak, Slovenian, Croatian, Servian, Ruthenian, Magyar, Roumanian, Greek, Turkish, Armenian, Syrian, Japanese, Chinese, Hindu, East Indian, Mexican, West Indian, Scandinavian (if Swedish, Norwegian, or Danish cannot be ascertained), Black, mulatto, etc.

Column 8 (Race or people). Column 8 should be used to record the race or people of which each alien belongs, as Negro, Anglo-Saxon, Celt, Teutonic, Latin, Slavonic, Hebrew, Mongolian, etc. In determining this column, the immigrant's own statement will generally be sufficient.

Column 9 (Last residence). Column 9 should show the country of which the alien is a subject, or in which he has resided, if he has resided in a country other than that of which he is a subject.

Column 10 (Final destination). The entry in column 10 should show the name of the city or town in the United States to which the alien is destined.

Special care should be exercised to draw a distinction between race and nationality, and examining officers should be thoroughly instructed by inspectors and registry clerks in this regard. The word "American," if used to designate race, should not be accepted. Persons of the Jewish race, for example, may be born in any country, and while many of them are speaking a certain language, as a race they constitute a people by themselves. Persons appearing on a manifest as "Germans" may mean "Germans" by nationality. An alien who is a Scotchman or Welshman may consider himself a Britisher, and may state that he is a citizen of England, Great Britain, or the United Kingdom, as the case may be, but his race is Scotch or Welsh, and his nationality is British. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (other than Cuban) not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (Black) includes Negroes, Kroomen, Soudanese, Nubians, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the Provinces of the River Po in northern Italy (i. e., comprising the departments of Piedmont, Lombardy, Venetia, and Emilia) and the adjacent districts, whether residing in Italy, Switzerland, Austria, or elsewhere, should be classified as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that part of Italy south of the basin of the River Po (i. e., the departments of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, and Sicily, and Sardinia and Elba) should be classified as "Italian (south)."

Column 11 (Last permanent residence). The entry in column 11 should show the country in which the alien has last resided for a period sufficiently long to be considered a permanent residence, and the length of time he has resided there. If he has resided in the United States for a year or more, the entry in column 11 should be "United States," regardless of the length of time he has resided in any other country. If he has resided in the United States for less than a year, the entry in column 11 should show the country in which he has last resided for a year or more, regardless of the length of time he has resided there. If he has not resided for a year or more in any country, the entry in column 11 should show the country from which he has emigrated.

Column 12 (Whether going to join relatives and if so, what relatives and their names and addresses). The entry in column 12 should show the name and address of such relatives. If no such relatives, the entry should be "None."

Column 13 (Whether ever before in the United States and if so, when and where). The entry in column 13 should show definitely the last previous visit to the United States, if any, and the place where such visit was made. If the alien has been in the United States previously, but cannot remember the exact date of his last visit, the entry should show the approximate length of time elapsed between his last departure from the United States and his return thereto on the present occasion, and the place where he last entered the United States. If he has never been in the United States before, the entry should be "No."

Column 14 (Whether going to join a husband or other person in the United States and if so, what person and where). The entry in column 14 should show the name and address of the husband or friend to whom the alien is going, and the relationship, if any, between them.

Column 15 (Whether in possession of $50 and if less, how much). The amount of money in possession of the alien should be stated in dollars and cents, and not by such terms as "some," "none," "a little," "a large amount," etc. Any alien who has less than $50 in his possession should state the exact amount.

Affidavit of Surgeon.

I, Chris. A. Cusack, Surgeon of the S. S. Westernland, (Strike out words not applicable, and alter "his" to "her" if employed by owner.) do solemnly, sincerely, and truly swear that I have had three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Colleges Physicians & Surgeons, Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 6 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. W. D. Turner, (Name of Master, First or Second Officer.) of the S S Westernland, from _____, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. W. D. Turner
Master, Officer.

Sworn to before me this 19 day of August, 1901;
at Philadelphia
John L. Harper
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests to United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

(Column 1.) [No.] The numbers begin with number 1 for each vessel or conveyance, and run consecutively.

(Column 2.) [Name in full.] Enter surname (family name) and Christian name in full of each alien.

(Column 3.) [Age.] Enter age at last birthday. If under 1 year, state months.

(Column 4.) [Sex.] Enter "male" or "female."

(Column 5.) [Married or single.] Enter "married" or "single."

(Column 6.) [Calling or occupation.] Enter calling or occupation of each alien, if any. If none, so state.

(Column 8.) [Can write or cannot write.] Enter "can write" or "cannot write."

(Column 9.) [Nationality.] Enter nationality of each alien, whether citizen or subject of any country or state, or stateless.

(Column 10.) [Race or people.] Enter race or people of each alien, as "Hebrew," "Negro," "Italian," "German," "Irish," "English," "Scotch," "French," "Spanish," "Dutch," "Flemish," "Polish," "Russian," "Bohemian," "Slovak," "Finnish," "Lithuanian," "Bulgarian," "Servian," "Croatian," "Dalmatian," "Roumanian," "Greek," "Syrian," "Turkish," "Armenian," "Japanese," "Chinese," "Hindu," "East Indian," "Mexican," "Cuban," "Porto Rican," "West Indian," "Scandinavian," "Pacific Islander," "Ethiopian," "Arabian," or "African (native tribe)."

(Column 11.) [Last residence.] Enter the last foreign residence of each alien, whether city, town, village, or country.

(Column 12.) [Destination.] Enter the name of the city, town, village, or country of intended future residence of each alien.

(Column 16.) [Whether in the United States at some time previously.] Enter "yes" or "no" as the case may be.

(Column 17.) [Whether ticketed through to final destination.] Enter "yes" or "no" as the case may be.

Special attention should be paid to the distinction between personal immorality and moral turpitude, and answers should be carefully framed by inspectors and registry clerks in this regard. For instance, "Larceny" is moral turpitude, "Drunkenness" is not necessarily so. "Prostitution" is moral turpitude as to the person practicing it, but not necessarily as to the husband. "Procuring" is moral turpitude. An alien who is a thief, gambler, or blackmailer is inadmissible to the United States, whether he has been convicted of crime or not. In case of doubt the following distinctions should be specially observed:

ASIATIC.

The term "Asiatic" includes every native of Asia, including Asiatic Russia.

MIXED RACES.

"West Indian" includes the people of the West Indies other than the pure Negroes.

CENTRAL AMERICAN.

"Central American" includes the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" includes the African Negro, and also natives coming from Cuba or other West Indian Islands of the African Negro race, and also natives of South America, Europe, or Africa. All persons of African descent, or suspected to be in any part of Negro blood, should be classified under this heading.

HEBREW (RACE).

The people of the race native to the basin of the River Po in northern Italy (i. e. Lombardy, parts of Piedmont, Emilia by Romagna, and Venetia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (race)." Many of these people speak a Gallic dialect of the Italian language.

SOUTH ITALIAN.

The people of the race native to that portion of Italy south of the basin of the River Po (i. e. Tuscany, Umbria, Marches, Campania, Abruzzi and Molise, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (race)."

(Column 1.) [No.] Enter the numbers 1, 2, 3, etc.

(Column 2.) [Name in full.] Enter surname (family name) and Christian name in full of each alien.

(Column 3.) [Age.] Enter age at last birthday. If under 1 year, state months.

(Column 4.) [Sex.] Enter "male" or "female."

(Column 5.) [Married or single.] Enter "married" or "single."

(Column 6.) [Calling or occupation.] Enter calling or occupation of each alien, if any. If none, so state.

(Column 7.) [Can read or cannot read.] Enter "can read" or "cannot read."

(Column 9.) [Nationality.] Enter nationality of each alien, whether citizen or subject of any country or state, or stateless.

(Column 10.) [Race or people.] Enter race or people of each alien, as "Hebrew," "Negro," "Italian," "German," "Irish," "English," "Scotch," "French," "Spanish," "Dutch," "Flemish," "Polish," "Russian," "Bohemian," "Slovak," "Finnish," "Lithuanian," "Bulgarian," "Servian," "Croatian," "Dalmatian," "Roumanian," "Greek," "Syrian," "Turkish," "Armenian," "Japanese," "Chinese," "Hindu," "East Indian," "Mexican," "Cuban," "Porto Rican," "West Indian," "Scandinavian," "Pacific Islander," "Ethiopian," "Arabian," or "African (native tribe)."

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W W D Turner (State whether Master, First or Second Officer) of the S S Westernland, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W W D Turner
Master Officer.

Sworn to before me this 14 day of August, 1907

Immigration Officer

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age.)—The entry of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

(Column 4 (Sex.)—The entry in column 4 should be either M (male) or F (female).

(Column 5 (Married or single.)—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

(Column 6 (Calling or occupation.)—The entry in column 6 should describe, in as full a manner as possible, the occupation of each alien of the age of 14 years and upwards. Terms such as "laborer," "servant," "engineer," "farmer," "clerk," "merchant," "boy," "girl," "housekeeper," "housework," "gentleman," "lady," and "none" are not sufficiently descriptive.

A distinction must be made between "farmer" and "farm laborer" or "servant," and between "clerk" and "merchant," and between "boy" and "laborer," and between "girl" and "housekeeper" or "housework."

A farmer owns or rents a farm and operates it himself or by others.

A farm laborer works on a farm for wages or a share of the crop.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by Immigrant Inspectors during the personal examination of aliens arrived.

Aliens in transit through and out of the United States should be entered but under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States but not intending to pass "through in transit" should be classed as "Temporary visitors for pleasure."

(Column 7 (Last permanent residence.)—Column 7 requires the full and complete address which should be either Town and State or Province and Country. Do not use such terms as "Europe," "Asia," "Russia," "Germany," "England," "France," "Italy," "Austria," "Ireland," "Scotland," "Wales," "Poland," "Turkey," "Spain," "Portugal," "China," "Japan," "India," "Africa," "Australia," "Mexico," "Cuba," "Porto Rico," "Canada," "Newfoundland," "West Indies," "Central America," "South America," or "Barbary States."

Column 7 (Destination.)—Column 7 should be answered by giving the name of the State of which immigrant intends to become a resident.

Column 8 (Final destination.)—The entry in column 8 should show the town in which the alien is destined.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully checked by inspectors and registry clerks in this regard. For instance, "France" is a country, and a man born there is presumably a native of that country; but "French people" are similarly a race. The term "Germany" is a country, and a native thereof is presumably a native of that country. An alien who is a Irish, Germans or Hebrew by race might properly have written after the heading of United Kingdom or any other country as nationality. The following instructions should be specially observed:

CHINESE.

The terms "Chinese" and "Chinese people" are Nouns.

WEST INDIES.

"West Indies" is a Noun. The West Indies are Islands (Nouns), not Nouns.

SPANISH AMERICAN.

"Spanish American" is a Noun. The people of Cuba and Porto Rico are Spanish Americans.

AFRICAN (BLACK).

African (black) is a Noun. All persons of the African Negro race, whether coming from Cuba or other countries of the West Indies, Central America, South America, Europe or Africa, are to be classified as African (black). Persons of mixed blood, as Mulattoes, Quadroons, Octoroons, etc., should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the Provinces of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Australia, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po as enumerated in the paragraph next above, the Islands of Sicily, Sardinia, Elba, the Azores and Madeira Islands, Azores, Brazil, Canada (French), and Switzerland and their descendants should be classed as "Italian (south)."

Column 9 (Nearest relative or friend.)—The purpose of column 9 should show the name of the nearest relative or friend the immigrant has in the country whence he came, for the purpose that a name of responsible relative or friend may be obtained in case the immigrant becomes a public charge, or for other purposes of identification, if necessary.

Column 10 (Ever in prison, etc.)—Column 10 should show whether the immigrant has ever been in prison or almshouse or an asylum for the insane or supported by charity, and the cause thereof.

Column 11 (Ever in U. S. before?)—Column 11 should show whether the immigrant has ever been in the United States before, and if so, when and where.

Column 12 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.)—The entry in column 12 should show whether the immigrant is going to join a relative or friend in the United States, and if so, what relative or friend, and his name and complete address.

Column 13 (Whether have a ticket through to final destination.)—The entry in column 13 should show whether the immigrant has a ticket through to his final destination in the United States.

Column 14 (Whether in possession of $50 and if less, how much.)—The entry in column 14 should show whether the immigrant has in his possession fifty dollars in money, and if less than fifty dollars, how much less. Money (especially by [illegible] should not be [illegible] among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where.)—The entry in column 15 should show whether the immigrant has ever been in the United States before, and if so, when and where, and whether he has a ticket to return to the United States hereafter, and if so, where.

Column 16 (Whether coming under contract or agreement to perform labor, and if so, what kind.)—The entry in column 16 should show whether the immigrant is coming under contract or agreement to perform labor in the United States, and if so, what kind of labor.

Column 17 (Whether an actual settler or immigrant.)—The entry in column 17 should show whether the immigrant is coming as an actual settler or immigrant, that is, whether he intends to settle permanently in the United States.

Column 18 (Whether a citizen of the United States, and if so, how it was acquired, whether by birth or naturalization, and if by the latter, when and where the certificate was issued.)—The entry in column 18 should show whether the immigrant is a citizen of the United States, and if so, how it was acquired, whether by birth or naturalization, and if by the latter, when and where the certificate was issued.

Column 19 (Whether ever in any penal institution or reformatory, and if so, what and when.)—The entry in column 19 should show whether the immigrant has ever been in any penal institution or reformatory, and if so, what and when.

Physical and mental examination.—The physical and mental examination of aliens by Immigrant Inspectors will be conducted as follows:

Affidavit of Surgeon.

I, Chris. A. Cusack Surgeon of the S.S. Westerland, do solemnly, sincerely, and truly swear that I have had Three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College Physicians Surgeons Ireland and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. Gardner, (State whether Master, First or Second Officer.) of the S.S. Westernland, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W. H. Gardner
Master ~~Officer.~~

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single). The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much). The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 21.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Chris. A. Cusick, Surgeon of the U. S. Westernland (Name of Surgeon "acting therewith" or "employed by owners thereof," as the case may be.), do solemnly, sincerely, and truly Swear that I have had Three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Colleges Physicians & Surgeons Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W W Turner (State whether Master, First or Second Officer), of the S.S. Westernland, from Liverpool, do solemnly, sincerely, and truly Swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

W W Turner
Master Officer.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this instruction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports of arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Chris. A. Cusack, Surgeon of the S. S. Westernland, do solemnly, sincerely, and truly swear that I have had Three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College Physicians & Surgeons Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. W. R. D. Turner, of the S.S. Westernland, from Liverpool, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 15 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The nearest age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as nearly correctly as possible the occupation, trade, or profession of each alien arrived, as for example: "civil engineer," "mercantile engineer," "mining engineer," "brass polisher," "silver polisher," "iron molder," "wood carver," etc., and not simply as "engineer," "polisher," "molder," "carver," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money owned, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the most part by the day.

Steamship companies should be able to obtain from the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens (according to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

[illegible]

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any such obvious appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, San Marino, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Coming to join relatives or friends, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I Chris A. Lassack, Surgeon of the S.S. Westerland, do solemnly, sincerely, and truly Swear that I have had Three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College Physicians & Surgeons Ireland, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, mother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 18 (Going to join relatives or friends, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Chris. A. Cusack, Surgeon of the S. S. Westerneland, (State whether "Surgeon" sailing therewith" or "employed by owners thereof," as the case may be.) do solemnly, sincerely, and truly swear that I have had Three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Colleges Physicians & Surgeons Ireland and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 13 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. D. Turner (State whether Master, First or Second Officer.), of the S. S. Westernland, from Liverpool do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Wm D Turner
M. Master Officer.

Sworn to before me this 14 day of August, 1903

John Lafferty
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifest as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $——, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 27.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Wm Goldberger

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. W. K. Turner, (State whether Master, First or Second Officer) of the S.S. Westernland, from Liverpool, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 13 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Wm. W. K. Turner
Master or Officer.

Sworn to before me this 17 day of August, 1904,
at Philadelphia.

John F. Hunter
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter appearing only for those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M, male, or F, female.

Column 5 (Whether married or single).—The entry in column 5 should be either M, married, S, single, W, widowed, or D, divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the size of the farm shown, as follows:

A farmer is one who operates a farm either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections could be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes, can read and write; Yes—No, can read but not write; or No—No, can neither read nor write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in last column of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro whether coming from Cuba or other islands of the West Indies, Mexico, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, America, Egypt, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to Italy, portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the *country*, and, if in America, the last permanent residence. It is important for statistical purposes that steamship companies be careful always to specify last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative, if there is such relative living; give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination of aliens in the United States, country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether (Yes or No) in the United States before; and if so, the year or period of years and place (as, 1894-97, Philadelphia).

Column 17 (Coming to join relatives or friends, and if so, what relatives or friends).—The entry in column 17 should show whether going to join either a relative or friend; and if so, what relatives or friends, with name and complete address.

Columns 18 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, Chris. A. Cusack, Surgeon of the S. S. Westerland, do solemnly, sincerely, and truly Swear that I have had Three years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal Colleges Physicians & Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Chris. A. Cusack

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, W. H. D. Turner, of the S.S. Westernland, from Liverpool, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 15 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 Age.—The years of age in column 3 should be expressed in numerals; months, the latter applying only to those under 1 year of age.

Column 4 Sex.—The entry in column 4 should be "Male" or "Female."

Column 5 Married or single.—The entry in column 5 should be "Married" or "Single." Widowed or divorced persons should be entered "Single."

Column 6 Occupation.—The entry in column 6 should be made as explicitly as possible. The designation "laborer" or "servant" is not sufficient. Such occupations as engineer, civil engineer, mining engineer, consulting engineer, locomotive engineer, stationary engineer, marine engineer, hoisting engineer, mechanical engineer, electrical engineer, etc., should be entered as such, and not simply as "engineer," unless the person makes no claim to any particular degree of skill.

A distinction should be made between *farmer* and *farm laborer*, or *planter* and *planter's laborer*. The amount of money should be stated, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for wages or by the year or day.

Steamship companies should make the first entries on the manifests, so that uniformity could be made, if necessary, by inspectors and society clerks before the arrival of the vessel at a port.

Aliens intending to pass through and out of the United States should be recorded under head of "destination" as follows: "Pass through" if to a foreign country; "Pass" if to the United States but not intending to pass through or remain; "Canada" if to Canada; "Mexico" under head of description.

Columns 7 to 14, inclusive, to be filled in by inspectors.—Column 7 subdivided and the entries therein should be either Yes or No. Yes and no and not Y. or N. Yes and no should be written in full. Yes or No should not be written.

Column 8 Nationality.—The entry in column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 Race or people.—The entry in column 9 should show the race or people as given in list as "race," if so specified.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and society clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Italian by race or people might properly enough make the sailing of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negro.

SPANISH-AMERICAN.

Spanish-American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to a native African Negro, not to a native of Cuba or other [illegible] born in the United States, Canada, European countries, etc., who are simply colored [illegible] Negro descent. Natives of Africa, whether Negroes or whites, should be entered under this heading.

EAST INDIAN.

The people who are known as the Hindus (not the Red or Digger Indians of North America), comprising the Bengalese, Cingalese, Punjabees, Mahrattas, Rajputs, the Bengali and Malay Caucasians, Afghans, Beloochees, Parsees, Singhalese, and Cashmere, and their descendants should be classified as "East Indian, (E.I.)."

Column 10 Last permanent residence.—The entry in column 10 should show the country which was the last permanent domicile of the alien. It is important to the consular purposes that absolutely accurate information be given. Last permanent residence independent of temporary residence, particularly.

Column 11 Final destination.—The entry in column 11 should show the city, town, or village in the United States for which the alien is destined. Where practicable, the street address should be given. Where possible, the name and address of friend or relative to whom destined should be given.

Column 12 Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address.—The entry in column 12 should be "Yes" or "No." If "Yes," the name and address of such relative or friend should be given, as directed in column 11.

Column 13 Ever in prison or almshouse or supported by charity.—The entry in column 13 should be "Yes" or "No," as the case may be.

Column 14 Whether in possession of $50 and if less how much.—The entry in column 14 should show definitely by whom possessed and particularly whether by himself, father, brother, or other relative or friend. "Amount in possession" [illegible]

Column 15 Whether in possession of ticket to final destination and if not who will purchase and how much.—The entry in column 15 should give such individual or transportation company the exact amount of money about to be paid. Many [illegible] who land at Boston [illegible] are induced among the several immigrant [illegible] to purchase tickets to Philadelphia.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Mallet, of the HAVERFORD. from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets 38 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age).—The record of age in column 4 should be expressed in years if 1 year or over, but if under 1 year, in months. Write the word only in these figures. Leave out *do*.

Column 2 (Sex).—The entry in column 2 should be either M. for male or F. for female.

Column 3 (Married or single).—The entry in column 3 should be either M. (married) or S. (single). Write the word only. Do not abbreviate.

Column 4 (Calling or occupation).—The entry in column 4 should describe the occupation, trade, profession, or other calling of each alien named, if he has any. If he has none, the entry should be "None." Laborers, without specification of the particular kind of labor performed, should be described as "laborers." Do not use indefinite terms, such as "servant," "student," "clerk," "engineer," "machinist," "mechanic," or "agent" without specifying the character of service rendered.

A distinction should be made in the entry between a skilled and an unskilled laborer. The following are examples of the manner in which the entry should be made:

A farmer. (One who owns or hires and cultivates land.)

A farm laborer. (One who works for a farmer.)

A laborer. (One who does unskilled work for which no special training is required.)

Steamship companies should require their agents to make full inquiry into the facts, and to correct any erroneous statements made by passengers, and to prepare true and complete lists covering the personal examination of aliens as above.

Upon the arrival at a port of entry in the United States of any vessel bringing aliens, the master, owner, agent, consignee, or person in charge of such vessel shall report to the immigrant inspector in charge at such port the name of every alien on board such vessel, whether destined to the United States or not, and whether he intends to land at such port or not, and shall deliver to such inspector lists or manifests of such aliens, which manifests or lists shall state the following additional facts concerning each alien:

Column 5 (Nearest relative or friend).—The entry in column 5 should show the name of the nearest relative or friend in the country whence the alien came.

Special attention should be paid to the distinction between the second and third columns, and manifests should be rejected by inspectors and returned for correction where the two columns are confused. For instance, "German" appearing in column 2 and "Hebrew" appearing in column 3 would be wrong, as Germany is a country, while Hebrew is a race or people, and sometimes a religion. "German" appearing in column 2 does not necessarily mean a German by nationality. An alien who is a Jew, a teutonic or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The terms "Cuban" refer to the native people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies (except Cuban and Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the native Negroes of Africa. The entry in column 3 should be "Negro" and in column 4 "African."

HEBREW (RACE).

The people who are native to the countries of the British Isles, northern Italy, [illegible] parts of Russia, Austria, Hungary, Germany, Holland, Belgium, and other countries, and who are residing in Europe, France, Spain, Portugal, Italy, Roumania, Turkey, Syria, the Levant or Barbary countries. Many of these people are of the Caucasian race.

HEBREW (RELIGION).

The people who are native to the countries of Italy, southern Russia, Austria, Hungary, Germany, Holland, Belgium, Spain, Portugal, Roumania, Turkey, Syria, the Levant, Barbary countries, and many other countries, and who are residing in Europe, France, Spain, Portugal, Italy

Affidavit of Surgeon.

at Southampton

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien at arrival, as for example: civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown to be in possession, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifest, and corrections should be made, if necessary, by inspector in charge or registry clerk during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary period in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marche, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are merely passing through the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, name place and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination (within the United States, country, if outside the United States).

Column 13 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 14 should give, in each case (individual or family), the exact amount of money shown. Money brought to the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place (e. g., 1894-97, Philadelphia).

Column 17 (Coming to join relative or friend, and if so what relative or friend).—The entry in column 18 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers to these questions are subject to revision by any inspector officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, _____, do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinboro', and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 36 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Mallet, of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 38 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Mallet Master.
Officer

Sworn to before me this day of December, 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Ages.)—The return of age in column 3 should be expressed in years or months, the latter applying exclusively to those under 1 year of age.

Column 4 (Sex.)—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single.)—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation.)—The entry in column 6 should be such as will indicate as nearly as possible the occupation, trade, or profession of the alien, as for example: Clerk, engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, coal miner, iron worker, weaver, tailoress, etc., and not simply as laborer, soldier, mother, farmer, or other indefinite designation.

A designation should be made in every case, however, and if none, following the answer to the appropriate question, the word "none" should be written.

A married woman who is practicing a profession or following a calling for herself or others is to be returned as having a profession or calling, as the case may be, and not merely as "married woman" or "housewife."

A woman or child who has no occupation or calling of any kind should be returned as "none."

Steamship companies should make their instructions to the agents and surgeons such that the manifests and corrections could be made in accordance with inspections and reports at books during the personal examination of the aliens.

Aliens in transit through the United States should be recorded under head of occupation as "in transit." Those coming only to a seaport to take ship for the United States, but not intending to pass through the country, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write.)—Column 7 is to be carefully filled and the entries therein should be either Yes—Yes or read and write; No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality.)—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people.)—The entry in column 9 should show the race or people as given in the questions and thus examined.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and reviewing clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom, or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives to the basin of the River Po in northern Italy (i. e., compartimenti of Liguria, Piedmont, Lombardy (Venetia), and Emilia), and their descendants, whether residing in Italy, in countries of Austria-Hungary, or elsewhere, should be classed as "Italian (north)."

ITALIAN (SOUTH).

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence.)—The entry in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came.)—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination.)—The entry in column 12 should show definitely the place (city or town) of final destination if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket through to such final destination.)—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid.)—The entry in column 14 should show definitely by whom passage was paid, as self, by friend, father, brother, or other relatives; friends; steamship company, etc.

Column 15 (Whether in possession of $50 and if less than that amount.)—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States—and if so, when and where.)—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so the year (or period of years) and place (as, 1901-07, Philadelphia).

Column 17 (Whether going to join relative or friend, and if so, what relative or friend.)—The entry in column 17 should show whether going to (or either a relative or friend; and if so what relative or friend, with name and complete address.

Columns 18 to 37.—The answers to these columns are subject to revision by any inspecting officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton., Surgeon of the HAVERFORD, (State whether Surgeon acting herewith or employed by Government Owners in the case may be), do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such, and under the authority of The Royal College of Physicians & Surgeons, Edinburgh and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets. in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11-1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who have permanent residence in the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 18 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter appearing only in those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe, as accurately as possible, the occupation, trade, or profession of each alien over 14, as for example, "Coal engineer," "stationary engineer," "locomotive engineer," "mining engineer," "brass polisher," "steel polisher," "iron polisher," "wood turner," etc., and not simply as "engineer," "polisher," "molder," "turner," or other indefinite designations.

A "laborer" should be made between *farm laborer* and *farm laborer*, regardless of the amount of money shown on the manifest.

A "farmer" is one who operates a farm, either for himself or others.

A "farm laborer" is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examinations of alien arrivals.

Column 7 (Last permanent residence).—The entries in column 10 should show the *country* and *city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence (not port) and country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (If having a ticket through to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, friend, father, brother, or other relative, friend, steamship company, etc.

Column 15 (If in possession of $50, and if less, how much).—The entry in column 18 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The number in each column should be expressed in years or months, the latter if under one year of age.

Column 2 (Sex).—The word male or female should be written M or F, as the case may be.

Column 3 (Married or single).—The word married should be written M, and the word single S. Widowed and divorced persons should be classed as single.

Column 4 (Calling or occupation).—Every person, of whatever age, should be given some calling or occupation, even if it be that of keeping house, or of no occupation, if a child or invalid. Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddock (Master), of the HAVERFORD., from _____, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The returns of age in column 3 should be expressed in years or months; the latter to apply only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M or male or F or female.

Column 5 (Married or single).—The entry in column 5 should be either M or married, S or single, Wd or widow or widower, or D or divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example Chief engineer, stationary engineer, locomotive engineer, running engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of property she or he may own, as follows:

A *farmer* is one who cultivates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made to conform by inspectors and registry clerks during the personal examination of aliens arriving.

Aliens intending to pass through and out of the United States should be recorded under a head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be Yes or Yes. No or No. Yes. No. (can neither read nor write), or Yes. No. (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which person claims citizenship or subjection.

Column 9 (Race or people).—The entry in column 9 should show the race or people as enumerated on page 3 of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (Black) refers to the African Negro, whether coming from Cuba or other island, or the West Indies, South or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emelia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last previous residence).—The entry in column 10 should show the *country*, *city*, or *town* of last permanent residence. It is important for statistical purposes that steamship companies should show country of last permanent residence independent of country of temporary residence, if any city or town.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of intended destination, if within the United States country, if outside the United States.

Column 13 (Whether having a ticket through; whether paid for by self or other person or corporation).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, by friend, father, husband, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and how much; if less than $50).—The entry in column 15 should show in each case individual or family the exact amount of money shown. Money handed to the head of a family should not be divided among the several members of the family.

Column 16 (Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address of such relative or friend).—The entry in column 16 should show whether going to join either relatives or friend, and if so, what relative or friend, with name and complete address.

Column 17 (Condition).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, (state whether Surgeon sailing therewith, or employed by owners thereof as the case may be) do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinboro', and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arriving, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made by the examining inspectors and registry clerks during the personal examination of aliens at ports.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read) and (Able to write).—Column 7 is subdivided and the entries therein should be either Yes (Yes, can read and write), No (No, can neither read nor write), or Yes (No, can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self; husband, father, brother, or other relatives; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Going to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 21.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

I, J. W. Sutton, Surgeon of the HAVERFORD, do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddox (Master), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddox Master.

Sworn to before me this [illegible] day of August, 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 5 (Age).—The return of age in column 5 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens on arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (can read and write), No (no), No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Negro, or South American Negro. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Venetia, and Lombardia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, Umbria, the Marches, Lombardy, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States, and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States, country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom were passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 18 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place, as 1894, Philadelphia.

Column 17 (Intending to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 30.—The answers in these columns are subject to revision by any inspection officer on the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, do solemnly, sincerely, and truly swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible], of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming in the United States for the purpose of prostitution, or for any other immoral purpose; and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Madden Master.

Sworn to before me this 28th day of August 1907.

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entry of age in column 2 should be expressed by numbers of months for infants under one year old, and in other cases by years.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as well as practicable each alien's occupation, such as "farmer," "laborer," "merchant," "engineer," "clerk," "miner," "shoemaker," "tailor," "blacksmith," "carpenter," "mason," "painter," "bricklayer," "plumber," "tinsmith," "machinist," "weaver," "dressmaker," "servant," "cook," "housekeeper," "no occupation," etc.

Children under 10 years should be made to have "none" entered in this column regardless of the statement of parents, guardians, etc.

Column 6 (Able to read).—The entry in column 6 should be either Yes or No.

A person is regarded as able to read who can read some language, whether it be English or not.

Column 7 (Able to write).—The entry in column 7 should be either Yes or No.

A person is regarded as able to write who can write a letter to his friend, and can write legibly.

Column 8 (Nationality).—The entry in column 8 should show the country of which the alien named is a native or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs, as described.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, nor "English" appearing on a manifest does not necessarily mean "English" by race or people. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, or other coming from Cuba or other islands of the West Indies, Central America, or Spanish America. Any such person of pure or mixed African or Negro race should be classified under this heading.

ITALIAN.

The people who are native to the north of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria) and those races, whether residing in Italy, France, and Austria-Hungary, or anywhere else, who are by race known as "Italian, north." Most of these people speak the Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to Italy south of the basin of the River Po (i. e., the provinces of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi, and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and those races, whether residing in Italy, France, Austria-Hungary, or anywhere else, who are by race known as "Italian, south." Most of these people speak the Tuscan dialect of the Italian language.

Column 10 (Last permanent residence).—The entry in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that a foreign geographical name should not be given as last permanent residence independent of country of temporary residence (nationality), or race.

Aliens coming to join parents should be asked and the fact noted, and the latter's address given as near as possible.

Aliens coming to this country to join relatives or friends should have the name and complete address of such relatives or friends entered in this column.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, a mere geographical name will suffice.

Column 12 (Final destination).—The entry in column 12 should show intended place of final destination, if within the United States, by city, town, or State.

Column 13 (Whether having a ticket through and if not, amount in possession).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years, and place or places, 1894–96, Philadelphia.

Column 16 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so what relative or friend, with name and complete address.

Columns 17 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I J W Sutton, Surgeon of the HAVERFORD, do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinboro and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets 30 in number are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of each alien.

Sworn before me this 21st day of August 1907.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, tool polisher, carpenter, molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or clerk, undefined.

A distinction should be made between *persons* and *cared labor*, regardless of the number of items (Carriages, Pianos, etc.).

Vagrant or tramp.—Any person having neither fixed home, either for himself or others.

Artist.—Any person who works on a farm for the man who operates it.

Student.—Any person who is going to school.

Stowaways.—Such persons should be specially noted by inspectors and registry clerks during the personal examination of aliens special.

Aliens (generally) in good health and not of the United States should be recorded under head of occupation as "no trade," those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist" under head of occupation.

Column 7 (Able to read or to write).—Column 7 is subdivided and the entries therein should be either Yes (Y) or No (N). Yes (Y) in column 7 and No (N) in column 8 means neither can read nor write. Yes (Y) in column 7 and Yes (Y) in column 8 means can both read and write. No (N) in column 7 and No (N) in column 8 means can neither read nor write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which person is a native, or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "French" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The terms "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town,* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year, or period of years, and place, as Dec. 96, Philadelphia.

Column 17 (Coming to join relatives or friends, and if so what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer on the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton., Surgeon of the HAVERFORD., ____, do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinboro', and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Madden (Master), of the HAVERFORD., from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation). The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply a engineer, polisher, molder, tanner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this instruction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write). Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, Umbria, Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence). The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came). The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination). The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination). The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $..., and if less, how much).—The entry in column 15 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether any before to the United States, and if so, when and where). The entries in column 16 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Whether coming to join relative or friend, and if so, what relative or friend). The entry in column 17 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 19.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal College of Physicians & Surgeons, Edinboro' and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, [illegible] in number are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entries of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example, "civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron moulder, wood turner, etc.," and not simply as "engineer, polisher, moulder, turner," or other indefinite designations.

A distinction should be made between *former calling* and *future calling*, regardless of the amount of money alien has in his possession.

A farmer—is one who purchases a farm, either for himself or others.

A farm laborer—is one who works on a farm for the man who employs him.

Steamship companies should make this distinction on the manifests, and corrections would be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrival.

Aliens proceeding to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read or write).—Columns 7, 8 are subdivided and the entries therein should be either Yes or No. Yes means read and write; No, no read or write; or Yes—No, can read but not write.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN, NORTH.

The people who are natives to the basin of the River Po in northern Italy, i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH.

The people who are natives to that portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Leghorn, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 13 (If having a ticket through to final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether alien's passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddock (Master), of the HAVERFORD., from LIVERPOOL, do
(State whether Master, First or Second Officer.)
solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddock Master.
Officer.

Sworn to before me this day of August, 1907.
at PHILADELPHIA.

Jno Cotton, Jr.
Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (*Age*).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (*Sex*).—The entry in column 4 should be either M (male) or F (female).

Column 5 (*Married or single*).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (*Calling or occupation*).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrival.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (*Able to read and write*).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 9 (*Nationality*).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (*Race or people*).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (*Whether having a ticket to such final destination*).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (*By whom was passage paid*).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 16 (*Whether in possession of $50, and if less, how much*).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place; as, 1894-97, Philadelphia.

Column 18 (*Coming to join a relative or friend, and if so, what relative or friend*).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, (State whether Surgeon "sailing therewith" or "employed by owners thereof," as the case may be) do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

J. William Sutton Surgeon.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddox (Master), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose; and that also according to the best of my knowledge and belief the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddox Master.

Subscribed and sworn to before me this 29th day of September 1902.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entries of age in column 1 should be expressed in years or months, the latter being used for children under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single).

Column 4 (Occupation).—The entry in column 4 should show the occupation, trade, or profession of each alien having one, whether male or female, as laborer, farmer, servant, tailor, seamstress, milliner, engineer, clerk, etc. Children, wives, and persons of no occupation should be so stated. Do not use such indefinite terms as "Laborer" or "Domestic" without prefixing the character of labor. Illegible or meaningless entries will not be permitted.

Column 5 (Can read).—The entry in column 5 should be "Yes" or "No" to indicate whether the alien can or can not read.

Column 6 (Nationality).—The entry in column 6 should show the nationality of each alien, that is, the country of which he is a subject or citizen.

Column 7 (Race or people).—The entry in column 7 should show the race or people to which each alien belongs, as follows:

Special attention is called to the distinction between race and nationality, and entries should be carefully prepared by inspectors and registry clerks in that regard. For instance, "English" appearing on a manifest does not necessarily mean "England" for nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other countries of the West Indies, Central America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (SOUTH).

The people who are native to the basin of the River Po in northern Italy; i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia, and those descendants, whether born in Italy, Switzerland, Austria-Hungary, or elsewhere, who claim to be Piedmontese, Lombard, Venetian, or Italian. Most of these people speak a variety dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po; i. e., comprising the provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, whether born in Italy or elsewhere, who claim to be Tuscan, Roman, Neapolitan, Sicilian, Sardinian, or Italian (south). Most of these people speak a variety dialect of the Italian language.

Column 8 (Last permanent residence).—The entry in column 8 should show the race or people of the last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independently of country of transportation, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as "United States" for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative is there, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination of alien in the United States, country if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of $50, and if less how much).—The entry in column 15 should show in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entries in column 16 should show whether or not (Yes or No) in the United States before, and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Name of person in former country to join and whether going to join relative or friend).—The entry in column 17 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspector acting in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, ..., do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinboro' and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

PASSENGER

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, O Maddox (Master), of the HAVERFORD. , from , do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30. in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

O. Maddox Master.
Affiant.

Sworn to before me this day of August, 1904.

Inspection Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M or male, or F or female.

Column 4 (Married or single).—The entry in column 4 should be either M married, S single, W widowed, or D divorced.

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation of each alien, as actor, baker, blacksmith, bricklayer, carpenter, clerk, cook, engineer, farmer, farm laborer, gardener, housekeeper, laborer, locomotive engineer, lumberman, machinist, mason, merchant, miner, minister of the gospel, musician, painter, peddler, physician, plasterer, porter, sailor, servant, shoemaker, stonecutter, tailor, tinner, weaver, wheelwright, or other definite description.

A distinction is to be made between *Occupation* and *Labor Inherent*, regardless of the amount of money shown as follows:

A person who has no occupation is a farmer, either for himself or others.

A person having an occupation is known as having a trade, the chief one of which he pursues.

Steamship companies should make it their duty to carefully edit manifests, and corrections should be made if necessary by inspectors and registry clerks, having the power to make such corrections.

Aliens in transit through the United States should be provided with a through ticket to destination, as "Liverpool" (Queenstown) to "Winnipeg" (Canada), and not to "Canada" alone, coming only for a temporary visit, as in the latter case they are not entitled to pass through to destination, should be classed as temporary visitors (not immigrants) to the United States.

Column 6 (Nearest relative).—Column 6 is subdivided and the entries should show the name of the wife, mother, father, husband, brother, sister, or other relative of the alien who is coming to the United States, and the country of which such relative is a citizen or subject.

Column 7 (Destination).—The entry in column 7 should show the name of the city, town, or village in the United States to which the alien is going.

Column 8 (Whether going to join relative, friend, etc.).—The entry in column 8 should show whether the alien is going to join relatives or friends, and if so, which relatives or friends, and their names and addresses.

Column 9 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs.

Special attention is called to the distinction between race and nationality, and agents employed by steamship companies and inspectors and registry clerks in this regard. The word "Russian" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "English" appearing on a manifest does not necessarily mean "Teutonic" by race or people. An alien who is Irish, Germans or Hebrew by race may be a subject of the government of the United Kingdom or of some other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the native people of Cuba (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN, SOUTH.

The people who are natives of the Italian peninsula, Sicily, Sardinia, and the adjacent islands, comprising the provinces of Piedmont, Lombardy, Venetia, and Liguria, and the Grisons cantons, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, NORTH.

The people who are native to that portion of the south slope of the basin of the River Po, comprising the provinces of Lafayette, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulian, Basilicata, Calabria, Sicily, and Sardinia, and their dependencies should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country in which the alien had his last permanent residence. Do not confuse this with place of birth or with temporary visits to other countries for business or pleasure. Thus, a merchant in Hamburg, Germany, who was born in Russian Poland, but who had resided in Hamburg for 20 years, should be returned as coming from Germany.

Aliens arriving at ports in the United States, and who are in transit from a foreign country to another foreign country, should be returned as such, and should not be counted as part of the immigration to the United States.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, the name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination in the United States. "Country" is not sufficient.

Column 13 (Whether having a ticket through to such final destination).—The entry in column 13 should be either Yes or No, or Y or N.

Column 14 (Whether the immigrant has been in the United States before, and if so, when and where).—The entry in column 14 should show whether the alien has been in the United States before, and if so, when and where, as "Philadelphia, 1894."

Column 15 (Whether going to join a husband or other relative in the United States, and if so, what relative or friend, and his name and complete address).—The entry in column 15 should show whether going to join husband, father, brother, or other relative, friend, or sweetheart, and if so, which one, and his name and complete address.

Column 16 (Whether in possession of $50 and if not, how much).—The entry in column 16 should give specific sum, individual or family. The exact amount of money shown in Column 16 by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entry in column 17 should show whether or not Yes or No in the United States before, and if so, when and where, as "1894, Philadelphia."

Column 18 (Whether going to join a friend, and if so, what friend, and his name and complete address).—The entry in column 18 should show whether going to join other relative or friend, and if so, what relative or friend, and his name and complete address.

Columns 19 to 29, inclusive.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, _____, do solemnly, sincerely, and truly swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddox (State whether Master, First or Second Officer), of the HAVERFORD. from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddox Master.

Sworn to before me this [illegible] day of August 1907.

PHILADELPHIA.

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1 (Age).—The ages of all in column 1 should be expressed in years or months, the latter if under one year of age.

Column 2 (Sex).—[illegible]

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (widow), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation pursued by the person of each alien named, as for example: Coal engineer, steel-rail roller, bricklayer, carpenter, mining engineer, machinist, brass polisher, cloth printer, iron moulder, wood turner, etc.; and not simply as laborer, painter, moulder, farmer, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, some three of the common forms of which are as follows:

A farmer is one who owns or rents a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who employs him.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens on board.

Aliens intending to pass through and out of the United States should be described under head of occupation as "In transit," those coming only for a temporary sojourn in the United States, but not intending to pass through to France, should be classed as "tourists," under head of occupation.

Column 5 (Able to read and write).—Column 5 is subdivided and the entries therein should be either Yes—Yes (if can read and write); Yes—No (if can neither read nor write); or Yes—No (if can read but not write).

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Mexico, South America, Europe or Africa. Any alien who is of negro descent or admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia), and those descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entry in column 8 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies state in this column the country of last permanent residence independent of country of temporary residence or sojourn of alien.

Aliens who have permanent residence in the United States and are returning from a visit abroad should be recorded on manifests as "United States" the country of their permanent residence.

Column 9 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 9 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 10 (Final destination).—The entry in column 10 should show definitely the place (city or town) of final destination in the United States or country if outside the United States.

Column 11 (Whether having a ticket through final destination).—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12 (By whom was passage paid).—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 13 (Whether in possession of $—, and if less, how much).—The entry in column 13 should be given in each case (individual or family) the *exact* amount of money shown. Money brought by the head of a family should not be divided among the several members of this family.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 15 (Coming to join relative or friend, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 16 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such and under the authority of The Royal College of Physicians & Surgeons, Edinburgh and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

William Sutton Surgeon.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States; and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894–97, Philadelphia.

Column 17 (Coming to join relative or friend; and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 18 to 37.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton., Surgeon of the HAVERFORD., (Name of another surgeon acting therewith, or if employed by the steamship, as the case may be,) do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons. Edinboro', and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddox (Master), of the HAVERFORD, from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddox — Master.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrived, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, wood polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arrived.

Aliens arriving to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 and 8 (Can read and write).—Column 7 is subdivided and the entries therein should be either Yes or No. Yes can read and write, No—No can neither read nor write), or Yes—No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands (as West Indies, North or South America, Europe, or Africa). Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 10 should show the *country*, and *city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifests as United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend, steamship company, etc.

Column 16 (Whether in possession of $50, and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place, as, 1901-07, Philadelphia.

Column 18 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, (State whether Surgeon "sailing therewith" or "employed by owners thereof" or "in the employ of") do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 20 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddock (Master), of the HAVERFORD., from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddock Master.
Officer.

Sworn to before me this 5th day of August, 1904,
at PHILADELPHIA

Edward Cotton
Inspector in Charge.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien named, thus, for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher," "molder," "turner," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of property shown. as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens' arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupations as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists," under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided, and the entry therein should be either Yes or No (Yes, can read and write; No, No, can neither read nor write; Yes, No, can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in Rows Ireland this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes, whether coming from Cuba or other countries of the West Indies, South or Central America, Europe or Africa. An alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America, Hungary, or any other country) should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the portion of Italy south of the basin of the River Po (i. e., comprising the provinces of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants, should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entry in column 10 should show the country in which the last permanent residence of the alien was acquired. The term "last permanent residence" is important for statistical purposes, that steamship companies should carefully show country of last permanent residence independent of country of which alien is a citizen or subject.

Aliens who have previously been in the United States and who are returning from a visit abroad should be credited to the country in which they have their permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, state "None."

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) for which the alien is destined in the United States or country, if not in the United States.

Column 13 (Whether in possession of ticket; and whether in part or whole paid for by himself or others).—The entry in column 13 should be either Yes or No.

Column 14 (Whether in possession of $50; and if less than much).—The entry in column 14 should give, in each case (individual or family), the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States; and if so, when and where).—The entry in column 15 should show whether or not (Yes or No) in the United States before, and if so, the year or period of years and place or places, as 1894, Philadelphia.

Column 16 (Coming to join a relative or friend; and if so, what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 17 to 29.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton. , Surgeon of the HAVERFORD. , (State whether Surgeon "sailing therewith" or "employed by ... thereof" as the case may be.) do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians Surgeons. Edinboro' , and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

William Sutton Surgeon.

Sworn to before me this Aug 9 1907 day of August, 1907.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Mallett (Master), of the HAVERFORD. (State whether Master, First or Second Officer), from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Mallett Master.
Officer.

Sworn to before me this 8th day of August 1907.

[illegible]
Inspector in charge.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The return of age in column 1 should be expressed in years or months. Use black ink in filling out manifest.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married) or S (single). W (widower) or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as nearly as may be possible the occupation, trade, or profession of each alien, as, for example, farmer, civil engineer, carpenter, engineer, locomotive engineer, printer, painter, house painter, laborer, peddler, tailor, tailoress, seamstress, servant, waiter, cook, and not simply as laborer, peddler, and the like, or other indefinite designation.

A laborer should be more accurately described as farm laborer, agricultural laborer, coal miner, iron miner, stone cutter, etc., as the case may be.

A person having no occupation is to be returned as having no calling.

A person following a calling but having no occupation at the time of sailing is to be returned as having a calling, as, for example, a mechanic who has temporarily lost employment.

Carefully compare column 4 and make the corrections on the manifest, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens at docks.

Aliens in transit.—Cases through and out of the United States should be recorded under head of exemptions as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "Expects" under head of occupation.

Column 5 (Can read and write).—Column 5 is suitably ruled and the entries therein should be either Yes—Yes; can read and write; No—No; can neither read nor write; or Yes—No; can read but not write.

Column 6 (Nationality).—Column 6 should be construed to mean the country of which immigrant is a citizen or subject.

Column 7 (Race or people).—The entry in column 7 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negro races, whether coming from Cuba or other islands of the West Indies, Mexico, or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

HEBREW.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, America (United States or any other country), should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, Umbria, the Marches, Umbria Roma, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 8 (Last permanent residence).—The entries in column 10 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies carefully enter country of last permanent residence independent of accident of temporary residence, nationality, or race.

Aliens returning to permanent residence in the United States and not returning from a visit abroad should be recorded as manifested as United States for country of last permanent residence.

Column 9 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative be living, then name and address of friend.

Column 10 (Final destination).—The entry in column 11 should show distinctly the place (city or town) of final destination, if with the United States country, if outside the United States.

Column 11 (Whether having a ticket to such final destination).—The entry in column 11 should be either Yes (ticket) or No (no ticket).

Column 12 (By whom were passage paid).—The entry in column 12 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 13 (Whether in possession of $50, and if less how much).—The entry in column 13 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 14 (Whether ever before in the United States, and if so, when and where).—The entries in column 14 should show whether or not (Yes or No) in the United States before; and if so, the year or period of years, and place—as, 1904, Philadelphia.

Column 15 (Whether going to join relative or friend, and if so, what relative or friend).—The entry in column 15 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 16 to 34.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, do solemnly, sincerely, and truly swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E. Maddock, (State whether Master, First or Second Officer) of the HAVERFORD. from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist, or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E. Maddock Master.
Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Occupation).—The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien proceed (refer example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other such indefinite designation).

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown in full as follows:

A *farmer* is one who owns, hires, or rents a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who employs him.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 8 (Able to read and write).—Column 8 is subdivided and the entries therein should be either Yes or No. Yes (can read and write). No. No (can neither read nor write). Yes. No (can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in lists back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

[illegible]

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the Lower Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Lombardia, Venezia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a certain dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to the remaining portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Piemonte, and Emilia, and Massa and Lunigiana, Reggio, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia), and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 10 should show the *country and only as town* of last permanent residence. It is important for statistical purposes that steamship companies provide accurate data as to country of last permanent residence independent of country of nationality, race, or people.

Aliens who are returning to [illegible] and who have been temporarily absent from a visit abroad, should be recorded as coming from the United States, the country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, [illegible] name and address of friend.

Column 13 (Destination, [illegible]).—The entry in column 12 should show definitely the place (city or town) of final destination in the United States or country, if outside the United States.

Column 14 (Whether having a ticket, etc.).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Whether in possession of $50 and by whom).—The entry in column 15 should show definitely by whom passage was paid, and whether immigrant has money, whether in possession of relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and if less how much).—The entry in column 16 should give in each case (and opposite each family) the exact amount of money shown. Money brought by the head of a family should be divided among the several members of the family.

Column 17 (Whether ever before in the United States and if so when and where).—The entry in column 17 should show whether yes (Yes or No) in the United States before, and if so, the year (or period of years) and place, as, 1894 97, Philadelphia.

Column 18 (Whether going to join husband, wife, father, etc., and if so what relative or friend).—The entry in column 18 should show whether going to join relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 25.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, _____, do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Immigrant Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The nature of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 2 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widow), or D (divorced).

Column 4 (Occupation).—The entry in column 6 should describe, as accurately as possible, the occupation or trade (profession) of each alien named, as for example, "farmer," "laborer," "engineer," "civil engineer," "mining engineer," "brass polisher," "cabinet polisher," "iron moulder," "wood turner," etc., and not simply as "engineer," "polisher," "moulder," "turner," or other indefinite designations.

A distinction should be made between *persons* and *nouns followed by persons*, regardless of the amount of money shown on the latter.

A person is supposed to contribute a fund, either for himself or others.

A fund is supposed to be worked up or turned to the uses of those who contribute it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens arriving.

Aliens immigrating to and emigrating from the United States should be recorded under one of two captions, "Immigrant" (those coming only for a temporary visit in the United States but not intending to pass through to remain should be passed as "Visitors") and "Head of race-quota."

Column 8 (Able to read and write).—Ordinarily it is understood and the entries therein should be "Yes" or "No" (not read and write, "Yes, No" or neither read nor write), or "Yes, No" and a dash but not words.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and nationality, and nearly all should be carefully noted by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" represents the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any admixture of appreciable indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are natives of the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardia, Venezia, and Emilia) and their descendants, whether coming to Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Toscana, Umbria, Marche, Lazio, Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 11 (Last permanent residence).—The entry in column 11 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies correctly show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded as "residents" of the United States for country of last permanent residence.

Columns 12 and 13 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative, friend, etc., give name and place of friend.

Column 14 (Final destination).—The entry in column 14 should show definitely the place (city or town) of final destination, if within the United States, anywhere, if outside the United States.

Column 15 (If going to join a relative or friend, write name and address).—The entry in column 14 should be either Yes or No (ticked or X or one word).

Column 16 (If not, whether has enough money to land).—The entry in column 15 should show definitely by whom passage was paid, as "self," "husband," "father," "mother," "other relative," "friend," "steamship company," etc.

Column 17 (If in possession of $50 and if over, how much).—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 18 (Whether ever before in United States and if so, when and where).—The entries in column 17 should show whether yes or no (Yes or No in the United States before, and if so, the year (or period of years) and place (as, "1904-07, Philadelphia").

Column 19 (Whether going to join friend, and if so, to what address in full).—The entry in column 18 should show whether going to join relative or friend, and if so, what relative or friend, with name and post-office address.

Columns 20 to 37.—The answers to these questions are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, (State whether "employed by" or "sailing thereon (as)" the said vessel.), do solemnly, sincerely, and truly swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Canada, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

BOARD OF SPECIAL INQUIRY PHILADELPHIA

New Gabelburger

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, E Madden (Name of Master, Chief or Second Officer.), of the HAVERFORD., from LIVERPOOL, do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

E Madden Master.

Officer.

Sworn to before me this 5th day of August, 1907.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex). The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be recorded under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people). The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

11—1115

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emelia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States for country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 13 (Whether having a ticket to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self; husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where). The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years) and place; as, 1894-97, Philadelphia.

Column 17 (Going to join relative or friend, and if so, what relative or friend). The entry in column 18 should show whether going to join either a relative or friend; and if so, what relative or friend, with name and complete address.

Columns 19 to 35.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD., (State whether Surgeon sailing therewith or employed by owners thereof on the present trip.), do solemnly, sincerely, and truly swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons Canada, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

William Sutton Surgeon

Affidavit of the Master or Commanding Officer, or First or Second Officer.

I, [illegible] (Master), of the HAVERFORD, from [illegible], do solemnly, sincerely, and truly swear that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and oral examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 30 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is an idiot, or imbecile, or a feeble-minded person, or insane person, or a pauper, or is likely to become a public charge, or is afflicted with tuberculosis or with a loathsome or dangerous contagious disease, or is a person who has been convicted of, or who admits having committed a felony or other crime or misdemeanor involving moral turpitude, or is a polygamist or one admitting belief in the practice of polygamy, or an anarchist, or under promise or agreement, express or implied, to perform labor in the United States, or a prostitute, or a woman or girl coming to the United States for the purpose of prostitution, or for any other immoral purpose, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

[illegible] Master.

Sworn to before me this [illegible] day of [illegible], 1901.

[illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 4 (Age).—The entry of age in column 4 should be expressed in years or months, the latter if applicable to children under one year of age.

Column 5 (Sex).—The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single).—The entry in column 6 should be either M (married), S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation).—The entry in column 7 should describe as definitely as possible the occupation (trade or profession) of each alien, as, for example, cotton planter, engineer, stationary engineer, mining engineer, lumber dealer, miner, machinist, blacksmith, moulder, wood turner, tailor, and not simply gentleman, laborer, servant, or other indefinite designation.

A distinction should be made between "servant" as a family occupation, regardless of the nationality of the family, and "domestic servant" as an occupation.

A farmer is one who owns or rents a farm and cultivates it himself or otherwise.

A farm laborer is one who works on a farm for the owner, who operates it.

Steamship companies should make their lists conform to the manifests, and corrections and additions made by inspectors and registry clerks during the period of examination of aliens on board.

Aliens intending to pass through and not out of the United States should be described under head of occupation as "in transit." Those not entitled to admission to the United States, but not intending to pass through, to transit, should be classed as tourists, under head of occupation.

Column 8 (Able to read and write).—Column 8 is self-explanatory, and the entry therein should be either Yes (Y) or No (N). Yes (Y) can be used for read and write, or Yes—No (Y—N) can be used for read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in bottom note to manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

(over)

AFRICAN (BLACK).

"African (black)" refers to the Negroes of Africa, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, Asia, or Africa. All such Negroes should be classed as "African (black)." Mulattoes or other persons of Negro descent should be classified under this heading.

ITALIAN (NORTH).

The people who are native to that portion of Italy north of the basin of the River Po (i. e., the provinces of Liguria, Tuscany, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and the Italians descended and should be classed as "Italian (north)."

Column 11 (Last permanent residence).—The entry in column 11 should show the country of last permanent residence. It is important that a distinction be made between a transient visitor to a country for a temporary purpose and an alien who has resided in such country for a permanent residence. The last permanent residence is independent of a country of allegiance, nationality, or race.

Aliens who have permanent residence in the United States and are returning from a visit abroad should be described as residents of the United States, the country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative, give name and address of friend.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (City or Town) of final destination, as well as the United States country, if outside the United States.

Column 14 (Whether having a ticket through and destination).—The entry in column 14 should be either Yes (Y) or No (N).

Column 15 (By whom passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and how much).—The entry in column 16 should give in each case individual or family the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever in the United States and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so the year so passed or a more exact date, as 1894, Philadelphia.

Column 18 (Whether going to join a husband, relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 18 should show whether going to join other relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 30.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, J. W. Sutton, Surgeon of the HAVERFORD, _____, do solemnly, sincerely, and truly Swear that I have had 5 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinburgh, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 30 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

I, E. [illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed by years or months, the latter specified only for those under 1 year of age.

Column 3 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 5 should be either M (married), S (single), W (a widow), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien, not designated by example (as "laborer," "clerk," "servant," "seamstress," "boy," "girl," "child," "infant," "gentleman," "lady," "farmer," etc., unless the person has no occupation, trade, or profession, in which case one of these terms may be used). Care should be taken to distinguish between persons of the same trade or profession who are skilled and unskilled, as, for example, between engineers (stationary engineers, locomotive engineers, electric engineers), brass polishers and polishers (iron molders and furnace men), and not simply as "engineers," "polishers," "molders," "furnace men," or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, according to the customary designation in the locality where the person is from.

A person *without occupation* is one who does not work or who earns his support by begging, or who has no means of support.

Strict regard to accuracy should be made in the distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of aliens arriving.

Aliens intending to pass through and out of the United States should be recorded under head of "occupation" as "in transit." Those coming only for a temporary stay in the United States, but not intending to pass through in transit, should be classed as "temporarily" under head of "occupation."

Column 7 (Can read and write).—Columns 7 and 8 should be filled with the entries therein should be either Yes (meaning can read and write), No (meaning neither can read nor write), or Yes—No (meaning can read but not write).

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people to which he or she belongs. This manifest

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

CENTRAL AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., comprehending the Provinces of Piedmont, Liguria, Lombardy, the Marches, Umbria, Romagna, Modena, Emilia, Parma, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, [illegible] may properly be classed as "Italian (north)." Most of these people speak a Gallo-Italic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comprehending the Provinces of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, [illegible] may properly be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 10 should show the country of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence (not place of temporary residence, nationality, or origin).

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded as such from the United States, the country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. If no such relative, some given name and address should be stated.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination (if within the United States country, it extends the United States).

Column 14 (Whether having a ticket to final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (Whether money was prepaid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and to what amount).—The entry in column 16 should give in each case (under penalty of perjury) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the exact (or near) time and place (as, 1894, Philadelphia).

Column 18 (Whether going to join a husband, relative, or friend, and if so, what relative or friend, with name and complete address).—The answers to these [illegible] are subject to revision by any inspector or other in the examination of aliens.

Affidavit of Surgeon.

I, J. H. Sutton, Surgeon of the HAVERFORD, _____, do solemnly, sincerely, and truly Swear that I have had 5 years experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of The Royal College of Physicians & Surgeons, Edinboro', and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, _____ in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens at arrival.

Aliens intending to pass through, and out of the United States should be accepted under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through as transit, should be classed as "tourist" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), Yes—No (can read but not write).

Columns 8 (Nationality).—Column 8 should be used to show the country of which the immigrant is a citizen or subject.

Columns 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, not Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Lombardy, Venetia, and Emilia) and those descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Columns 10 (Last permanent residence).—The entries in column 10 should show the *country and city or place* of last permanent residence. It is important for statistical purposes that a definite entry be secured, showing country of last permanent residence independent of country of temporary residence, sojourn, or visit.

Aliens who have resided in the United States and who return from a visit abroad should be credited to the United States as country of last permanent residence.

Columns 11 (Name and address of relative).—The entry in column 11 should show definitely the name and address of the nearest relative of such alien in the United States.

Columns 12 (Ticket).—The entry in column 12 should be either Y (yes) or N (no).

Columns 13 (Whether in possession of $50 and if less how much).—The entry in column 13 should show definitely by whom passage was paid, as "self," "husband," "father," "brother," or other relative, friend, "steamship company," etc.

Columns 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should show in each case the amount of money shown. Money brought by the head of a family should not be divided between personal members of the family.

Columns 15 (Whether ever before in the United States and if so, when and where).—The entry in column 15 should show whether (Y or N) alien was in the United States before, and if so, the year, as nearly as can be stated, and place, as "1904, Philadelphia."

Columns 16 (Whether going to join relatives and if so, what relatives and where).—The entry in column 16 should show whether going to join a husband, wife, parent, friend, and if so what relative or friend, with name and complete address.

Columns 17, 18, 19.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 2 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 3 (Sex).—The entry in column 3 should be either M (male) or F (female).

Column 4 (Married or single).—The entry in column 4 should be either M (married), S (single), W (widowed), or D (divorced).

Column 5 (Calling or occupation).—The entry in column 5 should describe, as accurately as possible, the occupation, trade, or profession of each alien, such as, for example: Civil engineer, stationary engineer, locomotive engineer, farming, engineer, brass polisher, steel polisher, iron polisher, wood turner, etc., and not simply as engineer, polisher, machinist, turner, or other indefinite description.

A distinction should be made between *farmer* and *farm laborer*, regardless of the amount of property owned, as follows:

Farmer.—Means a person who operates a farm, either for himself or others.

Farm laborer.—Means one who works on a farm for the man who employs him.

Steamship companies should make this distinction in the manifests, and conscientious enforcement of this requirement will be insisted upon by inspectors and registry clerks during the continued examination of aliens at ports.

Aliens coming to a port for transportation and entry into the United States should be questioned as to their ultimate destination. If they intend to go to a place in the United States, they are not entitled to pass through to that place in transit, but should be treated as entrants at the port of arrival.

Column 6 (Nearest relative).—Column 6 is subdivided into two sections, the first of which should be entitled "Name," and the second "Nearest relative or friend in the country whence alien came."

Column 7 (Name).—The entry in column 7 should show the name of the person (if any) to whom the alien is going.

Column 8 (Destination).—The entry in column 8 should show the name of the place to which each alien is going.

Special attention should be paid to the instructions between the fourth naturality and manifests should be carefully examined by inspectors and registry clerks in this regard. For instance, [illegible] apparently [illegible] indicated does not necessarily mean [illegible] be nationality. An Italian who is Irish, German, or Hebrew by race might [illegible] the United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

JEW.

The term "Hebrew" refers to the religious people, not Nationality.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

AFRICAN (BLACK).

African (black) refers to the African Negro, whether coming from Cuba or other island of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN—NORTH.

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH.

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, Umbria, Marches, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia). And their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian, south."

Column 9 (Last permanent residence).—The entry in column 9 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies procure information of last permanent residence, and not merely country of temporary residence. Thus [illegible]

Aliens who come to a port for transportation to the United States and are debarred from a landing should be returned to their last permanent residence, that is, to the country of last permanent residence.

Column 10 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 10 should show the name and address of such relative. If the alien has no relative living, the name and address of some friend.

Column 11 (Final destination).—The entry in column 11 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 12 (If having friend paying passage, whether sent for, and by whom).—The entry in column 12 should be either Yes or No (or Y or N).

Column 13 (Ever in prison or almshouse or supported by charity, and if so, what and where).—The entry in column 13 should show definitely by whose passage was paid, as, for instance, friends, steamship or other relatives, or charitable societies, etc.

Column 14 (Whether in possession of $50 and if less than $50, how much).—The entry in column 14 should show in each case the amount of money possessed by the alien. Money includes gold, silver, and bank notes. Checks and drafts should not be included among the several classes of money.

Column 15 (Whether going to join a husband, wife, father, etc., and if so, what relative and where).—The purpose of this column is to show whether the alien is going to join relatives in the United States, and if so, what relative and where. Thus, if going to join husband, state the fact and give name and address of husband, as "husband, John Brown, 1234 Chestnut St., Philadelphia, Pa."

Column 16 (Whether ever before in United States, and if so, when and where).—The entry in column 16 should show whether the alien has ever been in the United States before, and if so, when and where. If in the United States, state the fact and give name and address of relative or friend who paid for the alien's last trip to the United States, and the amount paid therefor, if known.

Column 17 (Whether ever in penitentiary, jail, almshouse, asylum, or hospital; if so, what and when).—The answers to these questions are required to ascertain if any inspectable class of aliens [illegible]

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Age).—The entry of ages in column 3 should be expressed in years or months; the latter applied to children under 1 year of age.

Column 2 (Sex).—The entry in column 2 should be either M (male) or F (female).

Column 3 (Married or single).—The entry in column 3 should be either M (married), S (single), W (married woman), or D (divorced).

Column 4 (Calling or occupation).—The entry in column 4 should describe as accurately as possible the occupation, trade, or profession of each alien named, as for example: Coal miner, stationary engineer, mechanical engineer, machinist, brass polisher, wood polisher, iron worker, wood worker, etc., and not simply as laborer, polisher, machinist, printer, or other such indefinite terms.

Column 5 (Whether can read).—The entry in column 5 must be either yes or no, regardless of the answers to any other questions.

Column 6 (Nationality).—The nationality of each alien must be given.

Column 7 (Race or people).—The words race or people should be used in answering this question.

Column 8 (Last residence).—The entry in column 8 should show the country of which the alien named therein last became a resident.

Column 9 (Destination).—The entry in column 9 should show the name of the country of which the alien named therein intends to become a resident.

Special attention is directed to the distinction between race and nationality, and care should be taken that answers to these questions are correctly given. Many aliens, especially Hebrews, are frequently returned by inspectors and immigrant clerks to this port and to other ports as "Russians" because the alien's passport describes him as a native of Russia. The fact that by race a person is a Hebrew or a Finn, for example, as appearing on a manifest does not necessarily mean that he is a native of Russia. An alien who is Irish, German, or Hebrew by race should properly be described as such, no matter from what country he may have come to the United States. In this connection the following instructions should be specially observed:

CUBAN.

The term "Cuban" refers to the native people (not Negroes).

WEST INDIAN.

"West Indian" refers to the native people of the West Indies other than Cuba (not Negroes).

SOUTH AMERICAN.

"South American" refers to the people of Central and South America and of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Liguria, Venetia, and Emilia), and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak the Gallo-dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Land to which last paid for).—The entry in column 10 should show the country and city or town to which the last passage money was paid, and not the place of last permanent residence or the place to which the alien is destined, unless the same as the place to which last paid for.

Column 11 (Whether in possession of $50, and if less, how much).—The entry in column 11 should be either Yes or No (never).

Column 12 (Whether ticket is prepaid, and if so, by whom).—The entry in column 12 should show whether the passage of the alien named therein was paid for by himself or by some other person, and if by some other person, whether by relatives, friends, steamship companies, etc.

Column 13 (Whether in possession of railroad ticket to final destination).—The entry in column 13 should be yes in each case (understood as stated), or the exact amount of money shown. Money brought on the head of a family should be divided among the several members of the family.

Column 14 (Whether going to join a relative or friend, and if so, what relative or friend, and his name and complete address).—The entry in column 14 should show the name and complete address of the relative or friend to whom the alien named therein is going, and what relative or friend, if any, he has in the United States.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entry in column 15 should show whether the alien named therein has ever been in the United States, and if so, when and where he has been, and whether he has ever been employed in the United States, and if so, when and where.

Column 16 (Whether going to join a husband, father, or other relative in the United States, and if so, what relative, and his name and complete address).—The entry in column 16 should show whether the alien named therein is going to join a husband, father, or other relative in the United States, and if so, what relative, and his name and complete address.

Column 17 (Final destination).—The entry in column 17 should show the city or town, State, and country to which the alien named therein is destined, as for example, Chicago, Ill., U. S. A., or Montreal, Canada, or Liverpool, England.

Affidavit of Surgeon.

_____ Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrival.

Aliens in transit through or pass through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist" under head of occupation.

Columns 7 and 8 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes (Yes) or No (No). Yes—Yes means can both read and write. No—No means can neither read nor write. Yes—No means can read but not write.

Column 9 (Nationality).—Column 9 should be construed to mean the country of which immigrant is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in list on back of the manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The attention is drawn to the fact that the country and city or town of last permanent residence of an alien is important for statistical purposes, that steamship companies should require the name of last permanent residence independent of country of birth, place of future residence, nationality, or race.

Aliens who come to permanently reside in the United States and are returning from a visit abroad should be recorded on manifests as to United States for country of last permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative, the name and address of friend.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination in the United States or country, if any, in the United States.

Column 14 (Whether having ticket through to such final destination).—The entry in column 14 should be either Yes (ticket) or No (no ticket).

Column 15 (By whom was passage paid).—The entry in column 15 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 16 (Whether in possession of $50 and if less how much).—The entry in column 16 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before and, if so, the year (or period of years) and place (as, 1901-07, Philadelphia).

Column 18 (Intending to join relatives or friends, and if so, what relatives or friends).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relatives or friend, with name and complete address.

Column 19 (Remarks).—The answers in these columns are subject to revision by any inspector in the examination of aliens.

Affidavit of Surgeon.

I, Ernest W Kelsey, Surgeon of the S S Venezia (State whether Surgeon employed by owners thereof, or acting as such by the day, etc.), do solemnly, sincerely, and truly swear that I have had thirteen years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Univ of Pa & Pa State Med Coll, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 1 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B, new numbers 500, 500 A, and 500 B] so far as it relates to aliens arriving (including those in transit) and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, in all cases up to and including column 06, by a descriptive title indicating briefly the subject to which it relates.

Column 4 (Age). — The return of age in column 4 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). — The entry in column 5 should be either M (male) or F (female).

Column 6 (Married or single). — The entry in column 6 should be either M (married) S (single), W (widowed), or D (divorced).

Column 7 (Calling or occupation). — The entry in column 7 should describe as accurately as possible the occupation, trade, or profession of each alien over 14 years of age. Civil engineer, stationary engineer, locomotive engineer, mining engineer, mechanical engineer, steel polisher, steam molder, wood turner, etc., and not simply engineer, machinist, molder, turner, or other indefinite description.

A distinction should be made between *professions* and *kindred labors*, as the head tax is in the amount of money shown, as follows:

A *laborer* is one who operates a farm, or digs or works in a mine.

A *person following* is one who works on a farm or in a mine for the master or employer.

Steamship companies should make this distinction on the manifests, and subsequent check should be made, if necessary, by inspectors and agents at ports having the personal examination of alien arrivals.

Column 8 (Able to read and write). — Column 8 is subdivided and the entries therein should be either Yes or No. Yes can read and write. No. No can neither read nor write. Yes. Yes can read but not write.

Column 9 (Nationality). — A person's nationality should be considered as meaning the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people). — The entry in column 10 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and country clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" as race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country as nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban and Negroes.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation (trade) or profession of each alien over 10, as for example: Clerk, engineer, stationary engineer, locomotive engineer, mariner, seaman, brass polisher, silk polisher, ornamental wood turner, etc., and not simply as cigar maker, polisher, molder, turner, or other general designations.

Column 7 (Able to read).—[Instructions omitted as applicable only to aliens over 14 years of age.]

Column 8 (Able to write).—[Instructions omitted as applicable only to aliens over 14 years of age.]

Column 9 (Nationality).—Column 9 should be construed to mean the country of which foreigner is a citizen or subject.

Column 10 (Race or people).—The entry in column 9 should show the race or people as given in last column of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and reentry denied in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The terms "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other Islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., comparatively of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy or Portland, Australia, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., comparatively of Liguria, Tuscany, Umbria, Marches, Campania, Basilicata, Apulia, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entries in column 10 should show the *country, and city or town* of last permanent residence. It is important for statistical purposes that "race" or "people" and not merely show country of last permanent residence. Independent of country of last permanent residence, see race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be credited on manifests as "United States" (or name of last permanent residence).

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relative. It is such relative living, or was last known to live, in country whence alien came.

Column 13 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States; country, if outside the United States.

Column 14 (Whether having a ticket to such final destination).—The entry in column 13 should be either a Yes (ticket) or a No (no ticket).

Column 15 (Whether in possession of $50, and if less, how much).—The entry in column 14 should be Yes or No, as the case may be, and if Yes the amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 16 (Whether going to join a relative and if so, what relative and where).—The entry in column 15 should show whether going to join relatives or friends, and if so, what relative or friend, with name and complete address.

Column 17 (Ever in prison, etc.).—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information returned on the manifest [Forms 1500 (or A and 1500 B, new numbers 500 and 500 B)], so far as it relates to alien arrivals, including those in transit and tourists, should be made in accordance with the following classification. The number of the column on the manifest is given in these special instructions, and is followed, in parentheses, by all cases up to and including column 9, by a descriptive word indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married) S (single), W (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should be given as accurately as possible the occupation, trade, or profession of each alien arrival. Correct terms are: Civil engineer, stationary engineer, locomotive engineer, mining engineer, mechanical engineer, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, and the two classes separately accounted for in the manner shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and the distinction should be made, if necessary, by inspectors and registry clerks during the progress of examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided into two columns, which should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and proper markings in the record. For instance, "France" appearing on a manifest does not necessarily mean "French" for race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH AMERICAN.

Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Negroes who are coming from Cuba or other colonies of the West Indies, Central or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of negro blood should be classified under this heading.

HEBREW AND JEW.

The people who are native to or who emigrate from the basin of the River Euphrates, comprising the Assyrian, Babylonian, Median, Persian, Parthian, Lithuanian, Moldavian, Caucasian, Armenian, Georgian, Circassian, Slavic, and Semitic, and their descendants should be classed as "Hebrew and Jew."

Column 10 (Last residence).—The entry in column 10 should show the country in which last resided, and not the nationality or the province, city, or town.

Column 11 (Final destination).—The entry in column 11 should show definitely the place—city or town, and not merely the State—of final destination.

Column 12 (Whether having a ticket through).—The entry in column 12 should be either Yes—Yes—or No—No—that.

Column 13 (Whether going to join relatives).—The entry in column 13 should show definitely by whom the cash was paid—whether husband, father, brother, or other relative, friend, steamship company, etc.

Column 14 (How much money he has in his possession, and whether ever in prison, almshouse, asylum, or hospital).—The entry in column 14 should give in each case the actual amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States, and if so, when and where).—The entries in column 15 should show whether or not Yes or No in the United States before, and if so, the year, if period of years, and place, as 1891-95, Philadelphia.

Column 16 (Whether coming to join a husband, father, or other relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 20.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

I, Master (Master, or Other Master, First or Second Officer), of the Br. George [illegible] Arrindell
master Officer.

Sworn to before me this 7th day of August, 1907

Jno Cotton Jr.
Immigrant Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The entry in column 2 should be the age of each alien at his last birthday prior to the date of sailing. Persons appearing to be under 1 year of age should have the age stated in months, the latter appearing only in figures and followed by the word "months."

Column 3 (Sex).—The entry in column 3 should be "male" or "female," as the case may be.

Column 4 (Married or single).—The entry in column 4 should be "married" or "single," as the case may be. Widowed persons or divorced persons should be returned as "single."

Column 5 (Calling or occupation).—The entry in column 5 should describe as accurately as possible the occupation, trade, or profession of each alien, such as, for example, Clerk, seamstress, stenographer, engineer, bookkeeper, engineer, mining engineer, farm laborer, and policeman. Avoid such loose terms as "laborer," "servant," "student," "peddler," "driver," "agent," "clerk," "manufacturer," or other indefinite designations.

A distinction should be made between *farmer*, *farm laborer*, regardless of the amount of money the person may have.

Farmer means a person operating a farm, either as owner or tenant.

Farm laborer means a person working on a farm for the owner or operator.

Stenographers, typewriters, clerks, salesmen, etc., should be distinguished from one another, and corrections should be made, if necessary, by inspectors and registry clerks, by personal examination of the aliens.

Aliens proceeding to pass through the United States should be returned under heads of occupations as "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through, should be classed as "tourists," under head of no occupation.

Column 6 (Able to read).—Column 6 should be filled in with the words "Yes" or "No," as the case may be. Write "Yes" if the person can read any language. Write "No" if he cannot read any language. Yes—No—may not be put merely.

Column 7 (Able to write).—Column 7 should be construed to mean the literacy of who is mentally competent to write.

Column 8 (Race or people).—The entry in column 8 should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and nationality, and mentally should be carefully noted by inspectors and registry clerks in this regard. For instance, "Finnish" appearing on a manifest does not necessarily mean "Finnish" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Polish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following destinations should be specially observed:

CUBA.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIES.

"West Indian" refers to the people of the West Indies, other than Cuban and Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (NEGRO).

[illegible]

EUROPEAN.

The proper designations are Italian, Irish, English, Scotch, French, German, Dutch, Swedish, Norwegian, Danish, Russian, Finnish, Polish, Spanish, Portuguese, Bohemian, Moravian, Slovak, Slovenian, Croatian, Dalmatian, Servian, Bulgarian, Roumanian, Greek, Lithuanian, Magyar, Hebrew, Syrian, Turkish, Armenian, Japanese, Chinese, East Indian, Mexican, Cuban, West Indian, Scandinavian, Corean, Pacific Islander, Australian, New Zealander, South American, Central American, Arabian, Afghan, Hindu, Persian, Egyptian, Indian (Hindu), Indian (American), Negro, Portuguese (Madeira Islands), Portuguese (Azores Islands), Portuguese (Cape Verde Islands), Portuguese (Other Portuguese), Scotch Highlander, Scotch Lowlander, Spanish (Andalusian), Spanish (Asturian), Spanish (Balearic Islander), Spanish (Castilian), Spanish (Catalonian), Spanish (Galician), Spanish (Navarrese), Spanish (Valencian), Spanish (Other Spanish), Turkish (Asiatic), Turkish (European), Welsh, West Indian (Other than Cuban or Negro), Other Nationalities.

[illegible]

Column 9 (Nationality).—The entry in column 9 should show the country of which each alien is a citizen or subject. Care should be taken to distinguish between race and nationality. [illegible]

Column 10 (Last permanent residence).—The entry in column 10 should show the country of which each alien has last been a permanent resident. The inspector should question each alien carefully in order to ascertain the facts. Mere temporary sojourn in a country for the purpose of [illegible] should not be considered as residence. Thus, a Hebrew may have resided in Russia for a number of years, but if he has been merely a temporary sojourner, and has always retained his residence in Germany, Germany should be returned as the country of last permanent residence. So, also, a Chinaman may have resided in Canada for a number of years, but if he has been merely a temporary sojourner, and has always retained his residence in China, China should be returned as the country of last permanent residence.

[illegible]

Column 11 (Final destination).—The entry in column 11 should show the city or town and State of the United States to which each alien is destined. Abbreviations should not be used. Care should be taken to ascertain the exact destination, and not merely the State. Thus, "Chicago, Ill.," "Detroit, Mich.," "Pittsburg, Pa.," "Boston, Mass.," "Cleveland, Ohio," "Minneapolis, Minn.," "Omaha, Nebr.," "Kansas City, Mo.," "Portland, Oreg.," "Seattle, Wash.," "Los Angeles, Cal.," "New Orleans, La.," "Galveston, Tex.," "Duluth, Minn.," "Milwaukee, Wis.," "Buffalo, N. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien named, not merely as, for example, "Engineer," "Mechanic," "Manufacturer," "Laborer," "Clerk," "Gentleman," or "Merchant," but as actually exercised, as, for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, marine engineer; cotton manufacturer, woolen manufacturer, etc.; cotton spinner, cotton weaver, woolen sorter, woolen comber, etc.; miller, flour miller, grain miller; farmer, stockraiser, cotton planter, sugar planter, etc.; bookkeeper, cashier, accountant, etc.; physician, surgeon, trained nurse, etc.; lawyer, notary public, etc.; clergyman, minister, priest, rabbi, etc.; author, editor, journalist, etc.; actor, artist (painter, sculptor, etc.), musician, professional sports (baseball player, pugilist, etc.); dressmaker, milliner, etc.; tailor, tailoress; locksmith, machinist, cabinetmaker, moulder, woodturner, etc.; and not simply as engineer, miller, manufacturer, or other terms indicating classifications.

A distinction should be made between *common* and *general laborers*, regardless of the amount of money they may have in their possession.

A laborer is one who performs work requiring little or no skill, and who does not follow any trade, profession, or calling.

A farmer is one who owns or rents a farm and cultivates it himself or employs others to do so.

A laborer should never be described as a farmer unless he owns or rents the farm he cultivates.

Skilled laborers, such as carpenters, bricklayers, etc., should be so described, and corrections could be made by immigrant inspectors and registry clerks during the personal examination of aliens at ports.

All persons coming to the United States who intend to remain should be recorded under Class A (immigrants), even though they may expect to return to their native country after a temporary residence in the United States; but persons coming for such an object should be classed as "temporary visitors" under Class B (no question).

Column 7 (Nearest relative).—Column 7 is self-explanatory and the entries in it need not be elaborated. The entry in column 7 should be the name of the nearest relative (wife, husband, father, mother, etc.) of the alien at the last place of residence abroad, and not the name of a relative in the United States, unless the alien has come from the United States to his former home for a visit.

Column 8 (Final destination).—Column 8 should be considered and the entries in it made with care. The entry in column 8 should be the name of the city, town, or village in the United States where the alien intends to go, and not merely the name of the State. Such entries as "New York," "Pennsylvania," "Chicago," "Boston," etc., are not sufficient.

Column 9 (Whether going to join a relative, and name and complete address of such relative).—Column 9 should be construed to mean the country of which the alien is a citizen or subject.

Column 10 (Native country or people).—The entry in column 9 should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and nationality, and immigrant inspectors and registry clerks in this regard. For instance, "Hebrew" appearing on a manifest does not necessarily mean "French" by nationality, and similarly "French" appearing on a manifest does not necessarily mean "Hebrew" by nationality. An alien who is Irish, German, or Hebrew by race could be a native of the United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and the Negroes.

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America, of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i.e., compartimenti of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residents of Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i.e., compartimenti of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants, should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 10 should be always the country of last permanent residence. It is important for statistical purposes that a distinction be made between the country of last permanent residence and the country of temporary residence, or sojourn.

Many aliens are in the habit of going to Canada, Mexico, and adjacent countries for short periods of employment, and a record of such temporary sojourn in a third country should not be entered as the country of last permanent residence.

Column 12 (Vessel and number of ticket or passport).—The entry in column 12 should be the name of the vessel in which the alien sailed for the United States, and the number of such ticket.

Column 13 (Whether in possession of ticket to final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (Whether in possession of passage paid by others).—The entry in column 14 should be affirmatively by whom passage was paid, as self, husband, father, brother, or other relative, friend, steamship company, etc.

Column 15 (Whether in possession of money and if so how much).—The entry in column 15 should state in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among several members of the family.

Column 16 (Whether ever before in the United States, and if so, when and where).—The entry in column 16 should show whether each alien has been in the United States before, and if so, the year and period (as, for example, "1903, 2 years").

Column 17 (Whether going to join a friend, and if so, what friend).—The entry in column 17 should show whether the alien is going to join a friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 29.—The questions in these columns are subject to revision by any inspection officer in the examination of aliens.

Haakon Tom
Master

Sworn to before me this 29 day of August, 1907.

at Philadelphia Chas. C. Hess
(Name and Title of Officer.)

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Columns 1, 2, 3, 4.—The names of all persons in columns 1 should be entered in full, Christian or given names, the last or family name, and the middle initial, if any.

Column 2.—Under "Sex" write "male" or "female," as the case may be.

Column 3.—Under "Married or single" write "married" or "single," as the case may be. Under "Widow" or "widower" write "widow" or "widower," as the case may be.

Column 4.—Under "Occupation" write the occupation of each alien as he or she declares it to be. Write "laborer" opposite the name of every male alien who has no occupation, "servant" opposite the name of every female alien who has no occupation, "child" opposite the name of every alien who is a child, and "wife" opposite the name of every alien who declares herself a wife. Be careful to distinguish between "laborer" and "servant."

Column 5.—Write the name and complete address of the nearest relative or friend whom the alien intends to join in the country whence he or she last came.

Column 6.—Write the name and complete address of the person in the United States whether relative or friend, whom the alien intends to join.

Column 7.—Write the name of the railroad or railroads over which the alien intends to travel from the port of arrival to the place of his or her destination.

Column 8.—Write the name of the State in which the alien intends to reside.

Column 9.—Write the name of the city, town, or village in which the alien intends to reside.

Special attention should be paid to the distinction between race and nationality, and names should be carefully revised by inspectors and registry clerks in this regard. For instance, "German" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "French" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba and Negroes.

CENTRAL AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Africans, Negroes, whether coming from Cuba or other countries of the West Indies, South America, Europe, or Africa. Any one of African descent, whether an inhabitant of a Negro race, should be classified under this heading.

ITALIAN.

The people who are natives of the former Kingdom of the Two Sicilies (i. e., comprising the provinces of Campania, Calabria, Apulia, and Basilicata) and Kingdom of Sardinia, including Piedmont, Liguria, and Savoy, and all other country should be known as "Italian." Many of these people come from the Italian provinces of Austria-Hungary.

HEBREW (RACE).

The people who are natives of Russia, Austria-Hungary, Germany, France, Roumania, Turkey in Europe, Greece, Portugal, Spain, Great Britain, Holland, Belgium, Switzerland, Norway, Sweden, Denmark, Servia, Montenegro, Bulgaria, and Asiatic Turkey, and who are Hebrews, should be known as "Hebrew" by race, whatever may be their religious faith or nationality. Many of these people come from the Italian provinces of Austria-Hungary.

Column 10.—Write "yes" or "no," as the case may be, to indicate whether the alien can read or can not read.

Column 11.—Write "yes" or "no," as the case may be, to indicate whether the alien is in possession of $50 in money or not. Under the law, any alien who is not in possession of at least $50 in money is presumed likely to become a public charge, and the inspector must be satisfied that this presumption does not exist before the alien can be admitted. Skilled laborers coming to certain localities, farmers coming to farm land they own, persons coming to join relatives or friends who can show that they can support them, and persons of good character coming to certain professions can frequently show that they can support themselves without having $50 in money.

Column 12.—Write "yes" or "no," as the case may be, to indicate whether the alien has been in the United States before or not.

Column 13.—If the alien has been in the United States before, write "yes" in column 13 and fill in column 14. If the alien has not been in the United States before, write "no" in column 13 and pass to column 15.

Column 14.—Write the year, month, and day (if possible to ascertain) when the alien last arrived in the United States before the present time.

Column 15.—Write "yes" or "no," as the case may be, to indicate whether the alien has a ticket to his or her final destination or not.

Column 16.—Write "yes" or "no," as the case may be, to indicate whether the alien has paid his or her own passage or not. If the passage has been paid by relatives or friends, or by the State or other institution, write "no" in column 16.

Column 17.—Write "yes" or "no," as the case may be, to indicate whether the alien is in good health and has no mental or physical defect or not. Care should be taken to distinguish between mental and physical defects and diseases, and the presence of one does not necessarily call for the presence of the other. Defects of vision, hearing, speech, or other senses, or of limb, should be noted in column 17, and the presence of any mental defect, such as feeble-mindedness, insanity, idiocy, or epilepsy, should be noted in column 18.

Column 19.—Write "yes" or "no," as the case may be, to indicate whether the alien has been in prison or almshouse or an institution for the insane or not within the past year.

Column 20.—Write "yes" or "no," as the case may be, to indicate whether the alien is coming under contract to perform labor in the United States or not.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Aliens intending to pass through and out of the United States should be described under head of occupation as "in transit;" those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourists" under head of occupation.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write), No—No (can neither read nor write), or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Columns 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

SPANISH-AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

NEGRO (BLACK)

"Negro (black)" refers to the African Negro, or descendant of Negro slaves, coming from Central or South America, the West Indies, North or South American Europe, or Africa. Also when appearance indicates an admixture of Negro blood, though the immediate race may be something else.

ITALIAN (NORTH)

The people who are natives of the Provinces of the Kingdom of Italy known as Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south and east of the Kingdom of Papal States, comprising Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 10. Last permanent residence.—The entry in column 10 should show the country and city or town of last permanent residence. If by permission for visiting or business purposes, should be given to clearly show country of last permanent residence, independent of temporary visit or business, particularly as to race.

Aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded on manifest as United States for country of last permanent residence.

Column 11. Final destination.—The entry in column 11 should show definitely the place (city or town) of final destination.

Aliens coming to the United States only for a temporary sojourn, not intending to remain permanently, should write the word "visit" before the name of the place.

Column 12 (Whether having a ticket to such final destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom the passage was paid, as self, husband, father, brother, or other relative, friend, labor company, etc.

Column 14 (Whether in possession of $50 and if less, how much).—The entry in column 14 should give in each case individual or family the exact amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

The entry in column 15 should show whether or not (Yes or No) in the United States.

Column 16 should show whether going to join a relative or friend, and if so, what relative or friend, and give full name and complete address.

Columns 17 to 20, inclusive. The answers to these questions are relevant to persons only in the examination of aliens.

Aliens proceeding to pass through and out of the United States should be described under the head of "In transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through to a foreign country, should be classed as "Visitors," under head of no occupation.

Column 8 (Can read and can write).—The entry in column 8 should be "Yes" or "No," as the case may be, and the entries should show whether the person named can read or can write or can do both. Any person who can read can write, and any person who can write can read, unless prevented by some physical cause, as blindness, loss of hands, etc.

Column 9 (Nationality).—The entry in column 9 should be expressed in the name of the country of which the person named is a citizen or subject.

Column 10 (Race or people).—The entry in column 10 should show the race or people to which each alien belongs, as "English," "German," etc.

Special attention should be paid to the distinction between race and nationality, and numbers should be carefully revised by inspectors and registry clerks in this regard. The expression "French" appearing on a manifest does not necessarily mean "French" by race or people, but may mean "French" by nationality. The expression "Irish" appearing on a manifest does not necessarily mean "English" by nationality. An alien who is Irish, German, or Hebrew by race should properly be accredited to the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the native people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban (not Negroes).

CENTRAL AMERICAN.

"Central American" refers to the people of Central and South America, not of Spanish descent.

ARMENIAN (RACE).

Armenian (Race) refers to the Armenian Nation, whether coming from Turkey, other Asiatic lands, Austria-Hungary, Russia, Germany, England, or elsewhere. All natives of provinces inhabited by Armenians, as Armenia, Kurdistan, Asia Minor, Syria, Mesopotamia, should be described under this heading.

ITALIAN (RACE).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia), and those descendants of the same race in Italy, southern and central Austria-Hungary, and other countries, should be described as "Italian (race)." Most of these people speak a Gallic dialect of the Italian language.

HEBREW (RACE).

The people who are native to the northern (Italian) shore of the basin of the River Po (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, and Emilia), and those descendants of the same race in Italy, southern and central Austria-Hungary, Russia, the Americas, and Malta, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, or their descendants, should be classed as "Italian (south)."

Column 11 (Last permanent residence).—The entry in column 11 should show the country of which each alien named is a permanent resident, as distinguished from the country from which he comes to the United States at present. It is important for statistical purposes that steamship companies consistently draw a distinction between temporary residence and permanent residence, as in the case of Italians, who frequently go to the United States for a few years' employment, but who have their permanent residence in Italy.

Aliens who are permanent residents of the United States and who are coming from a visit abroad should be recorded as such and their entries for column 11 should show permanent residence.

Column 12 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 12 should give name and address of such relative. If no such relative be living, state fact and address of friend.

Column 13 (Final destination).—The entry in column 13 should show definitely the place (city or town) of final destination of persons in the United States, country if outside the United States.

Column 14 (If having a ticket through to final destination).—The entry in column 14 should be either Yes or No (write in full, no "Y" or "N").

Column 15 (Whether in possession of $50 and how much).—The entry in column 15 should show definitely by whom possessed, as "paid by himself," "paid by father," or other relative, friend, steamship company, etc.

Column 16 (If in possession of $50 or more, and how much).—The entry in column 16 should give in each case, individual or family, the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether going to join relatives in the United States, and if so, whom and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before, and if so, the exact or period of years and place (as 1894 in Philadelphia).

Cols. 18 to 21 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join father, relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 23.—The answers to these columns are subject to revision by any inspection officer in the examination of aliens.

Affidavit of Surgeon.

I, C. McDermott, Surgeon of the NOORDLAND do solemnly, sincerely, and truly declare that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of the Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 2-2 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Inspector in charge.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of the alien arrival, as for example, civil engineer, stationary engineer, locomotive engineer, running engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers* regardless of the amount of money shown as following:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary by inspectors and registry clerks during the personal examination of aliens at wharf.

Aliens proceeding in transit through and out of the United States should be recorded under head of occupation as "in transit." Those coming only for a temporary sojourn in the United States, but not intending to pass through in transit, should be classed as "tourist" under head of occupation.

Column 7 (Able to read and write).—Column 7 is subdivided and the entries therein should be either Yes—Yes (can read and write); No—No (can neither read nor write); or Yes—No (can read but not write).

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on back of this manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuba (not Negroes).

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien whose appearance indicates an admixture of Negro blood should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 10 (Last permanent residence).—The entries in column 10 should show the *country and city or town* of last permanent residence. It is important for statistical purposes that steamship companies separately show country of last permanent residence independent of country of temporary residence, nationality, or race.

Aliens who are permanent residents of the United States and are returning from a visit abroad, should be recorded on manifests as United States, country of last permanent residence.

Column 11 (Name and complete address of nearest relative or friend in country whence alien came).—The entry in column 11 should give name and address of such relatives. If no such relatives living, give name and address of friend.

Column 12 (Final destination).—The entry in column 12 should show definitely the place (city or town) of final destination, if within the United States country, if outside the United States.

Column 13 (Whether having ticket to such final destination).—The entry in column 13 should be either Yes (ticket) or No (no ticket).

Column 14 (By whom was passage paid).—The entry in column 14 should show definitely by whom passage was paid, as self, husband, father, brother, or other relative; friend; steamship company, etc.

Column 15 (Whether in possession of $50; and if less, how much).—The entry in column 19 should give in each case (individual or family) the exact amount of money shown. Money brought by the head of a family should not be divided among the several members of the family.

Column 17 (Whether ever before in the United States, and if so, when and where).—The entries in column 17 should show whether or not (Yes or No) in the United States before; and if so, the year (or period of years), and place, as, 1891-95, Philadelphia.

Column 18 (Going to join relative or friend, and if so, what relative or friend).—The entry in column 18 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 19 to 22.—The answers in these columns are subject to revision by any inspection officer in the examination of aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 2 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Inspector.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

Column 1 (Line). The number of age in Order 1 should be entered in column 1, opposite number 1, the next opposite number 2, and so on to the end of the list.

Column 2 (Name). The entry in column 2 should be as follows: Surname (family name) first, then the given name and middle name, if any. Initials should not be used except when the name is not known in full. Titles, such as Mr., Mrs., Miss, Dr., Rev., etc., should be omitted. Where a person has both a family name and a surname, both should be given, the family name first, as Gonzalez Perez, Lopez Gomez, Rodriguez Fernandez, Martinez Ruiz, Diaz Sanchez, etc. Where a married woman has been known by her maiden name, the latter should be given, as Maria Garcia, not Maria Lopez.

Column 3 (Whether in a compartment). The entry in column 3 should show whether the alien was in a compartment, stateroom, berth, or section, or in the steerage. The object of this question is to ascertain as nearly as possible the number of persons who had separate apartments, and who therefore had better opportunities for avoiding contact with other passengers than those who were in the steerage. Persons occupying cabins, staterooms, berths, or sections in the steerage should be reported as in the steerage. Persons occupying cabins, staterooms, berths, or sections in the second cabin should be reported as in the second cabin. Persons occupying cabins, staterooms, berths, or sections in the first cabin should be reported as in the first cabin.

Column 4 (Sex). The entry in column 4 should be "M" for male persons and "F" for female persons.

Column 5 (Age). The entry in column 5 should show the age of each person as of his or her last birthday. Persons under one year of age should be returned as "under 1."

Column 6 (Married or single). The entry in column 6 should be "M" for married persons, "S" for single persons, and "W" for widowed persons.

Column 7 (Occupation). The entry in column 7 should show the occupation of each person, if any, as far as possible in detail. Persons having no occupation should be returned as "none." Laborers, clerks, and persons with no occupation specified are liable to be detained for special inquiry. Persons having a trade should be returned as mechanics, and not as laborers. Persons having a profession should be returned as professional persons, and not as clerks. Persons having a business should be returned as merchants, manufacturers, etc., and not as clerks. Persons who are employed in mines should be returned as miners, and not as laborers. Persons who are employed in manufacturing establishments should be returned as operatives, and not as laborers. Persons who are employed on railroads should be returned as railroad employees, and not as laborers. Persons who are employed on farms should be returned as farmers, farm laborers, etc., as the case may be, and not simply as laborers.

Column 8 (Can read). The entry in column 8 should be "Yes" or "No," as the case may be, to show whether the person can read or not.

Column 9 (Can write). The entry in column 9 should be "Yes" or "No," as the case may be, to show whether the person can write or not.

Column 10 (Country of which citizen or subject). The entry in column 10 should show the country of which the person is a citizen or subject.

Column 11 (Race or people). The entry in column 11 should show the race or people to which the person belongs.

Special attention should be paid to the following races and nationalities, and names should be entered as stated in the instructions and not according to their own fancy. For instance, "Russian" is not sufficient, as it may mean Finn, Pole, Jew, Lithuanian, Lett, Tartar, or Caucasian. "Austrian" is insufficient. The alien who is Irish, German, or Hebrew by race might properly call himself English, Scotch, or Welsh, the leading of United Kingdom, or any other country by nationality. In any case where the following distinctions should be carefully observed:

AFRICAN.

The terms "Negro," "Mulatto," "Quadroon," and "Octoroon" are sufficient.

ASIATIC.

"West Indian" should not be used. Persons born in the West Indies should be returned as Cuban (not Negro), English, French, Spanish, etc., according to their nationality.

CENTRAL AMERICAN.

"Spanish American" should not be used. Persons born in Central America, Mexico, South America, or the West Indies (except Negroes) should be returned as Cuban, Mexican, Central American, South American, etc., according to their nationality.

ENGLISH (NOT WELSH).

All persons born in England, Scotland, Ireland, Wales, and the British Provinces of North America should be returned as English, Scotch, Irish, Welsh, or Canadian, according to their nationality. Persons born in the British Provinces of North America should not be returned as Canadian unless they are of French descent.

FINNISH (NOT RUSSIAN).

The people who are native to the basin of the River Po in northern Italy (i. e., comprising the provinces of Piedmont, Lombardy, Venetia, Emilia, and three Romagnas, whether residing in Italy or elsewhere, whose language is one of the Italian dialects, and who are commonly known as "Italian" or "Italian Race") should be returned as Italian, North, and not as Austrian, Hungarian, Slavonian, Dalmatian, or Turkish.

ITALIAN (NORTH).

The people who are native to the Grand Duchy of the Tuscan Archipelago, the Papal States, the Kingdom of Naples, Sicily, and Sardinia, and their descendants, whether residing in Italy or elsewhere, whose language is one of the Italian dialects, and who are commonly known as "Italian" or "Italian Race" should be returned as Italian, South, and not as Austrian, Hungarian, Slavonian, Dalmatian, or Turkish.

JEWISH (NOT HEBREW).

The people who are native to Russia, Poland, Germany, Austria, Hungary, Roumania, Turkey, Spain, Portugal, Italy, Holland, Belgium, Switzerland, France, the Balkan States, and Greece, and their descendants, whether residing in Europe or America, and who are commonly known as "Jews" or "Hebrews," should be returned as Jewish, and not according to their country or race.

Column 12 (Last residence). The entry in column 12 should show the country of which the person is a citizen or subject.

Column 13 (Destination). The entry in column 13 should show the name of the city or town in the United States to which the person is going.

Column 14 (Whether has a ticket). The entry in column 14 should be "Yes" or "No," as the case may be, to show whether the person has a ticket or not.

Column 15 (Whether passage paid). The entry in column 15 should show whether the passage is paid by railroad passage paid in Europe, prepaid, or otherwise. Where relatives or friends in the United States pay the passage of aliens, the relationship of the person paying the passage to the alien should be stated, as father, mother, husband, wife, brother, sister, uncle, aunt, cousin, friend, employer, steamship company, etc.

Column 16 (Whether in possession of $50 and if not, how much). The entry in column 16 should show the amount of money in the possession of each alien. Money, though in the hand of a third person, is to be considered in the possession of the alien.

Column 17 (Whether going to join relative or friend, and if so, what relative or friend, and name and complete address of such relative or friend). The entry in column 17 should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 18 to 23. The answers to these columns are subject to correction by and to the decision of the examining officer.

Affidavit of Surgeon.

I, C. McDonnell, Surgeon of the NOORDLAND, do solemnly, sincerely, and truly declare that I have had 20 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of Royal College of Surgeons, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 23 in number, are, according to the best of my knowledge and belief, full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.
